## **ABOUT PMIST**

Periyar Maniammai Institute of Science & Technology is proud to be a unique institution of higher learning and academic excellence. In an endeavour to fulfil the dreams of our Mentor Thanthai Periyar and Annai Maniammayar, the Institution is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of calibre and by personal attention, and modern teaching methodology towards a Product/Process/ Demo / Case Study teaching, they are shaped into career oriented professionals with bright future. The Institution is making efforts to create new horizons in the arena of technical education and research. Curriculum innovation is given priority by the Institution to make the courses industry and research oriented. The dedicated and qualified faculty members routinely preach and practice for outcome based learning which leads towards an excellent academic career for the betterment of the students.

## **DEPARTMENT OF COMMERCE**

Department of commerce established in the year 2013.

Programs offered:

\* B.Com (Hons)

\* B.Com.

\* M.Com

\* B.Com (Corporate Secretaryship)\*

\*To be approved

The scholarly faculty team of Department of Commerce have been guiding students at every step, motivating them to pursue professional courses in association with KEW Academy Chennai. They engage in various forums to constantly upgrade their own skills and to ensure the students are well prepared to succeed. Our curriculum is designed to provide hand on training by offering value added courses and Internship to the students to enhance their skills.

## **ABOUT THE CONFERENCE**

Modern India is in need of both technologies and management which need to be redefined in the field of commerce. Technologies will result in building a good infrastructure to the society for future generation in the developing country like India. The session in the conference will pave way for discussing some innovative ideas. Such outputs will remain as the building blocks for the future. India envisions for having many redefining techniques which will be suitable for the digital era in the field of Commerce.
