**Computer Science Alumni Meet 2024**

**Programme Title** : Computer Science - Alumni Meet 2024

**Date** : 19th October 2024, 09:00 AM to 4:15 PM

**Venue** : PKC-515, Classroom

**Speakers** : Dr. D. Maghesh Kumar, Dean/FCSA

Dr. D. Christy Sujatha, HoD/CS

**Convenor** : Dr. K. Thiyagarajan,

Assistant Professor, Department of Computer Science

**Co-Convenor** : Dr. Sathya V.,

Assistant Professor, Department of Computer Science

## **Objective of the Programme**

The Computer Science - Alumni Meet 2024 was organized with the aim of reuniting alumni of the Computer Science department to foster stronger connections between graduates and current students. This event provided a platform for alumni to share their professional experiences, engage in knowledge exchange, and inspire students by discussing current trends and challenges in the field of computer science.

## **Participation Details**

The alumni meet saw enthusiastic participation, with a total of **95 attendees** comprising:

- **19 students** from M.Sc. Computer Science
- **70 students** from B.Sc. Computer Science
- **5 students** from B.Sc. Animation & Multimedia

## **Programme Summary**

The event commenced at 9:00 AM with a **Welcome Address by Dr. K. Thiyagarajan, the Convenor** of the event. Dr. Thiyagarajan extended a warm welcome to the alumni, faculty, and students, underscoring the significance of alumni contributions to the department. He acknowledged the achievements of the department's alumni in various sectors and emphasized the importance of alumni connections in supporting and guiding the current students on their academic and professional journeys. Following the welcome address, **Dr. D. Maghesh Kumar, Dean of FCSA**, took the stage. In his opening speech, he expressed gratitude to the alumni for their continued support and interest in the development of their alma mater. He also spoke on the department's commitment to evolving with technological advancements and highlighted key developments in the curriculum, focusing on areas such as artificial intelligence, data science, and cybersecurity. Dr. Maghesh Kumar encouraged the alumni to actively participate in mentorship programs to bridge the gap between academic knowledge and real-world applications.

**Dr. D. Christy Sujatha, the Head of the Department of Computer Science**, then shared updates on recent departmental accomplishments, research initiatives, and collaborative projects.

She underscored the department's focus on fostering innovation and preparing students for emerging challenges in technology. Dr. Sujatha expressed her appreciation to the alumni for their contributions and welcomed their support in furthering the department's mission.

### **Key Highlights of the Event**

#### **1. Industry Insights and Trends**

The speakers provided valuable insights into current trends in the field of computer science, emphasizing advancements in artificial intelligence, machine learning, and data analytics. Alumni were encouraged to share industry-specific knowledge and inspire students to explore emerging fields and career paths.

#### **2. Interactive Networking Session**

The alumni shared their experiences and career trajectories, providing students with a realistic understanding of the professional landscape. Alumni discussed the skills and competencies required to excel in the industry, addressing students' questions on career development and growth opportunities.

Alumni expressed their willingness to contribute to the academic and professional growth of students by participating in mentorship programs and guest lectures. This commitment from alumni was appreciated by both faculty and students, as it will help create a continuous support system within the department.

### **Vote of Thanks**

The event concluded with a **Vote of Thanks delivered by Dr. Sathya V., Co-Convenor of the event.** Dr. Sathya expressed heartfelt gratitude to the alumni for taking time out of their schedules to participate in the meet and inspire students with their stories and advice. She also extended thanks to the faculty, students, and organizing committee members for their hard work and dedication in making the event a success. Dr. Sathya encouraged alumni to remain engaged with the department and looked forward to their active involvement in upcoming events and initiatives.
