Report

International Webinar on Microscopy and Chemistry

The Department of Chemistry, Biotechnology and IQAC jointly organized an International Webinar on “Microscopy and Chemistry” on 03.11.2021 between 11.30 am to 12.30 pm through online using Google meet platform. The session was started with the welcome address by Dr. S. Gomathi, Assistant Professor and Head. The resource person gave an idea about the scope of microscopy in various research fields like nano-materials, corrosion studies and other metal complexes. He also interacted about the various stages in the development of high resolution microscopic techniques. A total of 68 participants including undergraduate, postgraduate, research scholars and faculty members of chemistry and biotechnology department were benefited. The participants have actively interacted with the resource persons and clarified their doubts. The session was concluded by Dr. A. Ashokkumar, Associate Professor and Head, Biotechnology. The session ended with a vote of thanks proposed by Dr. A. Ravikumar, Assistant Professor, Department of Chemistry, PMIST.
