Parents-Teachers Meeting

(For the students studying First Year B.Sc. Data Science (Batch: 2024-2027) in the Academic Year: 2024-2025)

Date : **21-10-2024**

Time: **10.30 am**

Venue: **PKC 420**

A Parents-Teacher meeting was held on 21st October 2024 for the students studying First Year B.Sc. Data Science (Batch: 2024-2027) in the Academic Year 2024-2025 to discuss important academic matters and gather feedback from parents. The meeting aimed to enhance the students' academic progress and provide a platform for parents to voice their suggestions and concerns.

Agenda:

1. Explain Code of Conduct and Ethics and obtain the undertaking
2. Disseminate the updated Academic Regulations 2024
3. Review and discuss the Attendance Percentage of Students (Till 10-10-2024)
4. Review and discuss the Continuous Assessment I (CA-1) Marks
5. Parents' Suggestions and Concerns

Minutes of the Meeting

The meeting commenced with a warm welcome to all the parents and a briefing on the objectives of the session. It was chaired by the Head of the Department of Informatics, with the Dean (Academic Courses) and Dean (FCSA) addressing the parents regarding overall academic and disciplinary expectations. The Head of the Department disseminated the Code of Conduct and Ethics and the Academic Regulations 2024, emphasizing the importance of strict adherence to rules, with an undertaking obtained from both parents and students. The Class Advisor reviewed the Attendance Percentage of Students as of 10th October 20, 2024 and discussed the Continuous Assessment - 1 (CA-1) Marks with each parent individually, providing personalized feedback on their wards' performance. Parents / guardians also gave feedback on various aspects, including additional support for weak students and career guidance, and these suggestions were noted for follow-up actions. Following this, parents / guardians met with individual course teachers to receive detailed feedback about their wards' progress in course wise.

Suggestions by Parents:

1. Enhance communication channels for academic updates.
2. Provide additional support for students who are lagging behind.
3. Strengthen initiatives to improve communication skills.

4. Recognize students with 100% attendance.
5. Acknowledge course-wise toppers.
6. Request special classes in programming and mathematics for non-mathematics students.
7. Some parents appreciated the rules and regulations set by the institution.
8. Some parents praised the teaching practices followed by the faculty.

Action Items:

1. Implement improved communication methods (e.g., regular updates via email, student portals) to keep parents informed of academic progress and updates.
2. Arrange special coaching sessions or remedial classes for students who are falling behind in their studies.
3. Introduce initiatives like communication workshops, language labs, or public speaking sessions to improve students' communication abilities.
4. Introduce a formal system to recognize and appreciate students with 100% attendance and course-wise toppers through certificates or public announcements.
5. Conduct extra classes for programming and mathematics to support students from non-mathematics backgrounds.

Minutes of the Meeting

The meeting commenced with a warm welcome to all the parents and a briefing on the objectives of the session. It was chaired by the Head of the Department of Informatics, with the Dean (Academic Courses) and Dean (FCSA) addressing the parents regarding overall academic and disciplinary expectations. The Head of the Department disseminated the Code of Conduct and Ethics and the Academic Regulations 2024, emphasizing the importance of strict adherence to rules, with an undertaking obtained from both parents and students. The Class Advisor reviewed the Attendance Percentage of Students as of 10th October 20, 2024 and discussed the Continuous Assessment - 1 (CA-1) Marks with each parent individually, providing personalized feedback on their wards' performance. Parents / guardians also gave feedback on various aspects, including additional support for weak students and career guidance, and these suggestions were noted for follow-up actions. Following this, parents / guardians met with individual course teachers to receive detailed feedback about their wards' progress in course wise.

Suggestions by Parents:

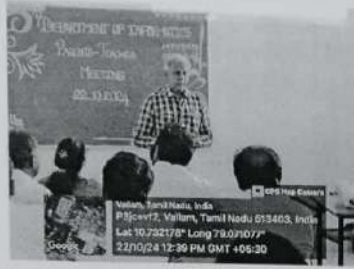

1. Enhance practical components with project-based learning and real-world applications.
2. Update the curriculum to align with the revised structure introduced for the first year.
3. Introduce advanced and elective courses to align with industry trends and student interests.
4. Increase interdisciplinary subjects to broaden academic exposure.
5. Provide more hands-on lab sessions and workshops for skill development.
6. Incorporate continuous evaluation methods like quizzes and assignments for better academic tracking.
7. Focus on integrating case studies and research-driven learning into the curriculum.
8. Offer specialized modules for students from non-technical or non-math backgrounds.
9. Align the syllabus with internship and career-readiness goals for second-year students.

Action Items:

1. Update the curriculum to align with the revised structure introduced for the first year, incorporating modern learning strategies.
2. Arrange industry-oriented guest lectures and workshops to provide students with practical exposure and insights into current trends.
3. Introduce project-based learning and interdisciplinary subjects to foster critical thinking and innovation among students.
4. Implement a continuous evaluation system with regular assessments, quizzes, and assignments for consistent academic tracking.
5. Provide remedial classes and personalized support for students from non-technical or non-mathematics backgrounds.
