Report of the Event	
<p>The World Food Day Competition served as a creative platform to spread awareness about global hunger issues and the need for sustainable solutions. By engaging the youth through photography, the event highlighted how individuals can contribute to the global fight against hunger.</p> <p>It also reinforced the institution's commitment to supporting the United Nations' SDG Goals, especially Zero Hunger (SDG 2), through innovative and community-focused initiatives.</p> <p>It served as a reminder of the importance of collaborative efforts in achieving sustainable food systems and combating global hunger. Through such meaningful competitions, Periyar Maniammai Institute continues to inspire students to contribute positively to society and the environment.</p> <p>The function began with a warm welcome speech by the event coordinator Ms. M. Nirmala (AP/CS), who highlighted the significance of the competition in promoting the United Nations' Sustainable Development Goal 2 (Zero Hunger).</p> <p>The validatory function marked a successful conclusion to the World Food Day Competition, leaving participants and attendees with a deeper understanding of the significance of SDG 2 (Zero Hunger) and a renewed commitment to making a difference in their communities. It was a celebration of creativity, awareness, and the spirit of social responsibility fostered by Periyar Maniammai Institute of Science & Technology.</p>
