## **ALUMNI MEET**

**19.10.2024**

## **1. Objective**

The objective of the Alumni Meet organized by the Department of Civil Engineering is to foster stronger connections between the department's alumni, current students, and faculty members. The event aims to provide a platform for alumni to reconnect with their alma mater, share their experiences and professional journeys, and inspire the next generation of engineers. It offers an opportunity for alumni to engage in meaningful discussions, exchange knowledge, and reflect on the advancements in the field of civil engineering. Additionally, the meet seeks to strengthen the bond between the past and present members of the department, encouraging future collaborations, networking, and mutual growth. By celebrating the achievements of alumni, the event also serves to highlight the department's legacy and its continued role in shaping the future of civil engineering education and industry.

## ALUMNI MEET

### Programme Schedule

**Date : 19.10.2024**

**Venue: PKC Ext LH 101**

**Time : 3:30 PM**

Welcome Address : Dr.D.Thayalnayaki  
Head of the Department  
Department of Civil Engineering

Felicitation Address : Dr.S.Senthamilkumar  
Professor  
Department of Civil Engineering  
Periyar Maniammai Institute of Science and Technology.

Vote of Thanks : Ms.P.Latha  
Assistant Professor  
Department of Civil Engineering  
Periyar Maniammai Institute of Science and Technology

### **3.Report**

The Alumni Meet organized by the Department of Civil Engineering at Periyar Maniammai Institute of Science and Technology will be held on March 19, 2024. The event will begin with a welcome address by Dr. D. Thayalnayaki, the Head of the Department, who will acknowledge the alumni and their contribution to the Institution's growth. Following this, Dr. S. Senthamilkumar, a Professor in the department, will deliver a felicitation address, highlighting the achievements of the alumni and their role in shaping the future of the department. The meet aims to foster stronger connections between the alumni and the current batch of students, providing a platform for knowledge exchange and networking. This event also serves as a reminder of the shared experiences and memories that bind the alumni to their alma mater. It will allow both faculty and alumni to discuss the advancements in the civil engineering field and share insights. The session will provide a valuable opportunity for alumni to reflect on their journeys since graduation and inspire the current students. In closing, Ms. P. Latha, Assistant Professor, will offer a vote of thanks to all attendees, including the alumni, faculty, and staff. The Alumni Meet is an essential initiative to strengthen the bond between the past and present members of the department, encouraging continued collaboration and mutual growth. This gathering will mark an important occasion for the department, as it celebrates its legacy and the success of its graduates.

#### 5. Outcome of the Programme

The Alumni Meet successfully strengthened the connection between the department's alumni, current students, and faculty. It provided a platform for sharing experiences and professional insights, fostering networking and collaboration. The event inspired students with alumni success stories and offered valuable industry knowledge. Overall, it reinforced the department's legacy and its ongoing role in shaping future engineers.
