Description of the Event / Activities / Competitions:

The Department of Computer Science and Applications organized an Extension Activity “**Attending Grama Sabha Meeting**” on 02-10-2024. This Activity refers to what know the activity of Grama Sabha Meeting for the students.

On Behalf of PeriyarManiammai Institute of Science & Technology (Deemed to be University), the Department of Computer Science and Applications adapted village Sennampatti to the schema of the PERIYAR PURA Rural Development Scheme. GramaSabha meeting was held on 02.10.2024 10:00 AM. Mr. P. Karthik, Assistant Professor in the Department of CSA, and 10 students participated in this meeting.

On behalf of the President, Mr. P. Rajinikanth, and vice President, Mrs. R. Amshaveni, Ward members and the village people of Sennampati, Mr. P. Karthik, and Mr. R. Pragadees, Assistant Professor in the Department of CA, and 10 students participated in this meeting.

The meeting was started with the motivational of Gandhiji by the President. He discusses various activities going on in the village and he insists the village people about the water consumption that they faced in the previous year and compared with the current year and the wastewater management scheme of the Tamil Nadu government wastewater treatment Scheme for every home to improve the groundwater level with Subsidy given by the Tamil Nadu government. Forest ranger also participated in the meeting and on behalf of the forest department he announced various schemes for the development of people they assured that they would give vessels set for the community hall kitchen.

Finally, on behalf of our institution, we honor them with a shawl and we assure them that we will give special attention to the development of the village they asked for an institutional visit for the school students and we assured them of that same.

Outcomes

The outcomes of this activity include:

1. Increased awareness: Students gained awareness about rural development and local governance.
2. Community engagement: Students interacted with villagers, understanding their concerns and needs.
3. Institutional commitment: The institution assured the villagers of its commitment to supporting the development of the village.

Overall, this activity provides a unique opportunity for students to engage with rural communities and understand the complexities of local governance and development.
