OBJECTIVES:

- To equip diploma students with industry-relevant technical skills to bridge the gap between academic learning and practical applications.
- To encourage critical thinking, creativity, and technical problem-solving abilities to prepare students for complex challenges in their industries.
- To enable students to gain multidisciplinary knowledge, making them adaptable to various roles and industries.
- To develop a mindset of constant skill improvement to assist students in adjusting to changing technologies and professional opportunities.

REPORT :

Periyar Maniammai Institute of Science & Technology (PMIST) successfully hosted **TechElevate 2025**, a premier technical symposium on 14.2.2025 at Multipurpose Indoor stadium of the institute, bringing together leading experts from academia and industry to share insights and advancements in engineering, robotics, automation, and cyber resources. About 1045 participants attended this programme from 11 polytechnics of Thanjavur District.

The event commenced with a **Welcome Address** by **Dr. D. Thayalnayagi**, Head of the Department of Civil Engineering, PMIST, followed by an **Inaugural Address** delivered by **Dr. P.K. Srividhya**, Registrar of PMIST. The **Felicitation Address** was given by **Dr.R.Malliga**, Additional Registrar, PMIST, and **Dr. R. Kathiravan**, Dean (FET), PMIST. TechElevate featured eight dynamic technical sessions led by eminent professionals and experts, each covering crucial industry topics.

In Technical Session I, Mr. D. Pradish, Robotics Engineer II at Prag Robotics Pvt. Ltd., Chennai, discussed the significance of Artificial intelligence, emphasizing how AI-driven autonomous robotic systems are transforming industrial operations. He also highlighted the **growing career opportunities in Artificial Intelligence**, encouraging students to explore this rapidly expanding field.

Technical Session II, led by Dr. R. Rakesh, Director of CETAT, PMIST, focused on technological advancements in smart infrastructure and the role of the **Internet of Things (IoT)** in sustainable development. He stressed the significance of **interdisciplinary research in engineering**, underscoring its potential to drive innovation in multiple domains.

In **Technical Session III**, Er. B. Chandrakanth, Head of the Institution of Estate Managers & Appraisers, Trichy, provided insights into **modern trends in Surveying**. He elaborated on **real estate appraisal methodologies** and discussed how **technology is revolutionizing property valuation**, making the process more accurate and data-driven.

Technical Session IV featured Dr. A.E. Narayanan, Nodal Officer at the National Cyber Resource Defence Centre (NCRDC), PMIST, who addressed **cyber security challenges in the digital era**. He highlighted the **implementation of effective strategies to combat cyber threats** and ensure data security.

During **Technical Session V**, Ms. Anuja Kannan, Director of Vimanna Labs India Pvt. Ltd., Bengaluru, explored the **implementation of Drones** and its impact on various industries. He emphasized how **smart technologies enhance production efficiency** and discussed the **evolving relationship between automation and employment trends** in the modern workforce.

Technical Session VI was led by Mr. K. Amirtha Ganesh, Chief Product Officer at Armada Industrial Automation, Thanjavur, who spoke about **advancements in industrial automation systems**. He motivated the Students to **innovate new technologies in the Engineering field**.

In **Technical Session VII**, Mr. D. Keerthivasan, Director of the Centre for Energy and Environment at PMIST, delved into **Sustainable Development Goals** and their significance in future. He discussed **green technologies for sustainable development** and highlighted the **importance of policy in the energy transition**, emphasizing the need for regulatory frameworks to support clean energy adoption.

Finally, **Technical Session VIII** featured Dr. M. Sharmila Begum, Professor of Computer Science and Engineering at PMIST, who motivated the students to become Entrepreneur, to move towards Higher Studies and to choose a right career.

The event concluded with a **Vote of Thanks** delivered by **Dr. C. Narmadha**, Head, Department of ECE, PMIST, who expressed gratitude to the esteemed speakers, participants, and organizers for making TechElevate a grand success.

TechElevate proved to be an enlightening platform fostering knowledge exchange, technological discussions, and industry-academia collaboration, reinforcing PMIST's commitment to academic excellence and innovation.
