Report of the Programme

The Department of Education, in collaboration with the Department of Mechanical Engineering, successfully conducted a MIME cultural competition under the PEACE initiative on **17th March 2025** at **2.30 PM** in the Seminar Hall of the Department of Education. The programme was organized under the theme "**Awareness on Drug Abuse, Cyber Security, and Environmental Sustainability**".

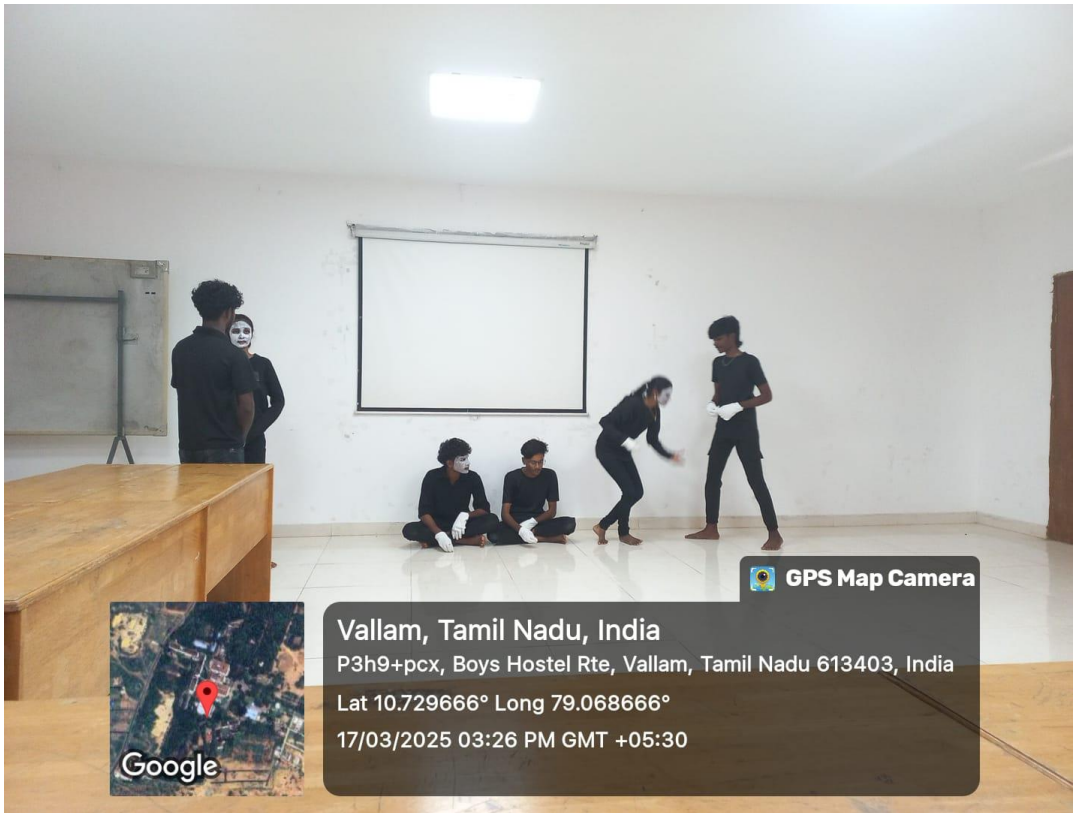

The event aimed to create social awareness on critical contemporary issues through the art of MIME, a silent performance art that relies on expressions, gestures, and body language to convey powerful messages. A total of **seven students** participated in the MIME performance, showcasing their talent and commitment to social causes.

The MIME acts were divided into three segments:

- The first segment portrayed the devastating effects of **drug addiction** on individuals and families.
- The second segment highlighted the **risks of cybercrimes**, stressing the importance of password safety, digital hygiene, and responsible internet use.
- The third segment focused on **environmental protection**, emphasizing the harmful consequences of pollution and deforestation while encouraging sustainable living.

Faculty members from both departments, along with students and staff, attended the event and appreciated the efforts and creativity of the participants. The MIME performance received enthusiastic applause for its thought-provoking presentation and impactful message delivery.
