Report

Webinar on Materials, innovation and development for sustainable solutions

The Department of Chemistry, Institution's Innovation Council and Periyar TBI jointly organized a Webinar on "Webinar on Materials, innovation and development for sustainable solutions" on 14.07.2021 between 9 am to 11 am through online using Google meet platform. The session was started with the welcome address by Dr. S. Kumaran, Associate Professor & Dean Research (i/c). The resource person gave an interactive session about the Connection of research and society and the current scenario of higher education in European countries. He also explained the key ideas of three most influential and common purposes of research such as exploration, description and explanation. A total of 68 participants including Undergraduate, Postgraduate, Research Scholars and faculty members of Chemistry department were benefited. The participants have actively interacted with the resource persons and clarified their doubts. The session ended with a vote of thanks proposed by Dr. S. Gomathi, Head & Assistant Professor, Department of Chemistry, PMIST.
