Report:

CA coaching to the aspirant student in the field of professional studies is being organized by Department of Commerce in association with KEW Academy Chennai. The CA Foundation Coaching through Online and virtual classes have been conducted in the core areas of:

- Principles and Practices of Accounting
- Business Laws and Business Correspondence and Reporting
- Business Mathematics and Logical Reasoning & Statistics
- Business Economics & Business and Commercial Knowledge

It gives the opportunity to the students to undergo training for foundation or inter at next level with the view to sponge their surplus time in the campus which in turn improve their employability skills. Moreover it saves time. They should not wait for their degree to complete rather spend few more years to crack CA. This really paves way for great success.
