## **Academic and Administrative Audit conducted during 22.02.2023 – 23.02.2023**

### **Members :**

- The departments have planned to invite more industrial experts for the guest lectures planned in the academic calendar.
- Based on the request made by faculty members and current trends in various disciplines, CHRD has planned and included training programmes in the CHRD activity calendar, to be conducted at PMIST for the current academic year 2023-24
- Faculty members are encouraged and given financial assistance to attend programmes outside PMIST, based on requirement or specialization
- Training on OBE for the newly inducted faculty members is planned in the Faculty Induction Programme (*GURU DHAKSTHA*) during the month of July 2023.
- Faculty Development Programme on Curriculum Design and OBE fundamentals is tentatively planned during the last week of August 2023.
- Faculty Development Programme on Higher level OBE is tentatively planned during third week of November 2023.
- Management Development Programme for Administrative Heads and senior faculty members of the department is planned during the second week of September 2023.
