## WORLD IP DAY 2024

### Objective of the Programme:

To celebrate World Intellectual Property Day on April 26, 2024, by emphasizing the critical role of Intellectual Property Rights (IPR) in academic settings. This celebration aims to highlight the importance of IP in promoting research, innovation, and academic integrity. It seeks to educate students, faculty, and researchers about the benefits and responsibilities associated with IPR, fostering a culture of respect for intellectual property within academic institutions.
