Author's Profile

Mr. RAJARSHI PAUL received a MCA degree from North Eastern Regional Institute of Management, Guwahati, Assam, India, an M.Tech. degree in Information Technology from the Gauhati University, Assam, India. He is currently working as an Assistant Professor in the Girijananda Chowdhury Institute of Management and Technology, Guwahati, Assam. He has more than 10 years of teaching experience in various subjects related to Computer Science and Information Technology. He has published many technical papers in various National/International journals. He has also presented/published papers in various National/International conferences. He has industry experience in Cloud Platforms, Social Media Platform Designs, NLP on Database Systems, SEO Optimizations, Web Crawlers etc. He is a member of various professional bodies, such as IEEE, ISTE. His subject interests are Data Mining, Soft Computing, Machine Learning, Deep Neural Networks etc. His current research interests include Social Media Forensics using Machine Learning Techniques, Time Series analysis on streaming data sources etc.

Dr.S.Janani is working as Associate Professor in Department of Electronics and Communication Engineering in Periyar Maniammai Institute of Science & Technology. She did her B.E. Degree (Electronics and Communication Engineering) in Kumaraguru college of Technology, Coimbatore and M.E Degree (Communication systems) in Sri Sivasubramaniya Nadar college of Engineering, Chennai. She pursued her Ph.D. in Annamalai University. She has more than 12 years of teaching experience and his area of interest include RF & Microwave Engineering, wireless communication and networks. She has presented papers in various National and International Conferences and Journals.

Dr. Sumaiya Samreen is currently working as an Assistant Professor in the Department of Computer Science & Engineering at K.C.T Engineering college, Kalaburagi. She has 5.5 years of teaching experience. She has graduated in Computer Science & Engineering from KBN College of Engineering Kalaburagi, India (affiliated to Visvesvaraya Technological University Belgaum). She secured degree of Master of Technology in Computer Science from VTU Regional Office Kalaburagi. She has been awarded Ph.D. in the field of Computer Science & Engineering from Shri JYT University, India. She has presented number of papers in National and International Journals, Conferences and has published many books and research papers both in referred and SCOPUS listed Journals. Her main area of interest includes Machine learning and Artificial Intelligence.

Dr. Fasiha Anjum Ansari is currently working as an Assistant Professor in the Department of Computer Science & Engineering at K.C.T Engineering college, Kalaburagi. She has 10 years of teaching experience. She has graduated in Computer Science & Engineering from B.L.D.E.A's V.P Dr.P.G.Halakatti College of Engineering Bijapur, India (affiliated to Visvesvaraya Technological University Belgaum). She has completed her Master of Business Administration in Human Resource from Sikkim Manipal University. She secured degree of Master of Technology in Computer Science from K.B.N College of Engineering(VTU affiliated) Kalaburagi. She has been awarded Ph.D. in the field of Computer Science & Engineering from Shri JYT University, India. She has presented number of papers in National and International Journals, Conferences and has published many research papers both in referred and SCOPUS listed Journals. Her main area of interest includes Machine learning and Artificial Intelligence.
