

AUTHORS PROFILE

Dr. P. Velraj Kumar working as an Associate Professor in the Electrical and Electronics Engineering Department at CMR Institute of Technology Bengaluru. He graduated in Electrical and Electronics Engineering at Noorul Islam College of Engineering, Thackalay, Tamil Nadu, India. He secured Master of Engineering in Applied Electronics at Hindustan College of Engineering, Chennai, Tamil Nadu, India. He is in the field of Control Systems and Robotics at CMR Institute of Technology, Bengaluru, Karnataka, India. He is in teaching profession for more than 22 years. He has presented 43 papers in National and International Journals, Conference and Symposia. His main area of interest includes Control Systems and Robotics and Automation.

Dr. V. Violet Juli working as an Associate Professor in the Department of Electronics and Communication Engineering at Periyar Maniammal Institute of Science & Technology, Vallam, Thanjavur. She graduated in B.E. Electronics and Communication Engineering at PSNA College of Engineering, Dindigul, Tamilnadu, India. She secured Master of Engineering in Power Systems at REC, Trichy, Tamilnadu, India. She pursued Ph.D., in Anna University Chennai. She is in the field of ECE at Periyar Maniammal Institute of Science & Technology, Vallam, Thanjavur. She is in teaching profession for more than 30 years. She has presented papers in National and International Journals, Conference and Symposia. Her main area of interest includes Wireless Communication and Wireless sensor Networks.

C. Rajanandhini working as an Assistant Professor in the Department of Electronics and Communication Engineering at Periyar Maniammal Institute of Science & Technology, Vallam, Thanjavur. She graduated in B.E. Electronics and Communication Engineering at PMCTW, Vallam, Thanjavur, Tamilnadu, India. She secured Master of Engineering in Computer and Communication, PMCTW, Tamilnadu, India. Presently she is doing Ph.D., Degree in PMIST, Vallam, Thanjavur. She is in the field of ECE at Periyar Maniammal Institute of Science & Technology, Vallam, Thanjavur. She is in teaching profession for more than 15 years. She has presented papers in National and International Journals, Conference and Symposia. Her main area of interest includes Wireless Communication and Signal processing.

Mr. Krishna Kumar M working as an Assistant Professor in the Department of Electronics and Communication Engineering at Grace College of Engineering, Thoothukudi. He graduated in B.E. Electronics and Communication Engineering at Noorul Islam College of Engineering, Nagercoil, Tamilnadu, India. He secured Master of Engineering in Communication Systems Engineering at Mepco Schlenk Engineering College, Sivakasi, Tamilnadu, India. He is pursuing Ph.D., in Information and Communication Engineering at Anna University, Chennai, Tamilnadu, India. He is in teaching profession for more than a decade. He has presented 33+ papers in National and International Journals, Conference and Symposia. His main area of interest includes Antenna Design, Medical Instrumentation and Optical Communication.
