Respected Madam,

One of my Research Scholars, Mrs.R.Radhika is performing her doctoral research work in the field of Cancer biology. To enhance her research in cancer biology, synthesized compounds need to be docked using bioinformatics tools, for this purpose my scholar needs to discuss with Dr.G.Archunan, Dean Research and Dr R.Senthil, Department of Bioinformatics in Maruthu Pandiyar College, Thanjavur. Hence, I request your permission to Ms Radhika to discuss on the above topic with the experts.
