**REPORT ON PARTICIPATIVE LEARNING****BY SBA MATRICULATION HIGHER SECONDARY SCHOOL IN PMIST**

The Department of Education, Periyar Maniammai Institute of Science and Technology (PMIST) (Deemed to be University) has organized participative learning programme for the SBA Matriculation Higher Secondary School, Mannargudi on 29.10.22 in our campus 133 students from the school have participated in the programme. We divided them into four groups and we bring them into various departments. In the Aerospace Department, they taught about aerospace aviation the space by comparing the year's atmosphere and the space beyond. The faculty of Mechanical Department taught about the lathe working method. In the Architecture Department the students observed the construction of buildings and the system of sunlight setting. From Biotechnology Department students came to know about the invention and destruction of bacteria and fungi. At last in Periyar Technology Business Incubator Centre our staff taught them about opportunities related programmes to study.

These events developed student's invention thinking. Thus, Participative learning created a platform that provides the students to have a lot of opportunities to develop more and more talents and knowledge among students. Finally the students thanked the Department of Education, PMIST to provide this learning opportunity for them.

(SBA Matriculation Higher Secondary School Students, Mannargudi in Participative learning)

(Students of SBA School Actively learned about Micro organisms like Bacteria and Fungal growth explained by the Faculty of Bio Technology)

(Students learned about the Construction of building with respect to the exposure of Sun)

(Mr. R.Suresh , Assistant Professor, Department of Aerospace explained about the Aviation to the students)

(Students visited The Periyar Technology Business Incubator)
