Report

Department of Computer Science and Engineering and Student Association Tech(010)gy organized a international level technical talk on “ **Blockchain Technology** ” on 28-02-2023. The second year students of CSE department and MCA students are attended the event and benefitted. This technical talk refers to the developing block chain technology. The resource person Mr. Yokkann Perumalsamy, Mr. Karthick S M, and Ms. Uma M, General has explained the blockchain technology. This technology helps to understand an advanced database mechanism that allows transparent information sharing within a business network. A blockchain database stores data in blocks that are linked together in a chain.
