<b>Programme No.</b>	09	<b>Topic of the programme</b>	Women Empowerment
<b>Date</b>	01.04.2022	<b>Resource Person</b>	Ms. D. A. Lilypushpam, Counselor, PMIST, Vallam

**Objective:** To create awareness about “Women Empowerment” among the students

**Participants:** 62 students (40 Girls & 22 Boys) from B.Sc Maths, Physics and Chemistry.

**Report of the programme:**

This Gender sensitization programme was organized by Gender Champions Club and IQAC of our institute. Ms.M. Sudha Lakshmi, II year M.Sc Mathematics, welcomed the gathering.

Dr. C. Vimala, Asso. Prof. / Department of Mathematics & the Nodal Teacher (GC) introduced the speaker Ms. D. A. Lilypushpam, Counsellor.

Ms. D. A. Lilypushpam, Counsellor explained the need of the awareness of the women empowerment, issues etc. among the students. Women Empowerment in India cannot be compared with that of other countries. Women were highly respected in the Vedic period. The focus on women’s education was never absent. The word ‘sahadharmini’ means equal partner. Hence it is very clear that women in India in ancient days enjoyed respect, education and reverence. She also stated that gender roles which can be defined as the behaviors, values, and attitudes that a society considers appropriate for both male and female.

But as the ages past Indian culture was contaminated. As a result, the power and respect that women enjoyed were lost and men and women had completely opposite roles, Men were seen as the provider for the family and women were seen as the caretakers of both the home and the family. Gradually after independence, women started regaining their lost power.

The students actively participated in the discussion. Finally the student I. C. Snehidha, B.Sc (Physics), III Year delivered the vote of thanks for the valuable and thought provoking points illustrated by the counselor Ms. D A. Lilypushpam.

<b>Date</b>	31.05.2022	<b>Resource Person</b>	Dr. K. Laksnmi, Professor /CSE, PMIST, Vallam

**Objective:** To give awareness about Internal Complaints Committee (ICC), POSH Act 2013 & Awareness on Gender champions

**Participants:** 220 students (70 Girls & 150 Boys)) First year BCA and M.Sc Computer Science

**Report of the programme:**

Dr. C. Vimala, Asso. Prof. /Maths department & Nodal Teacher (GC) welcome the speaker, the staff and the students. She introduced Dr. K. Laksnmi, Professor /CSE, and the Presiding Officer / ICC, PMIST, Vallam and the Internal Complaints Committee (ICC) and Gender Champions(GC) .

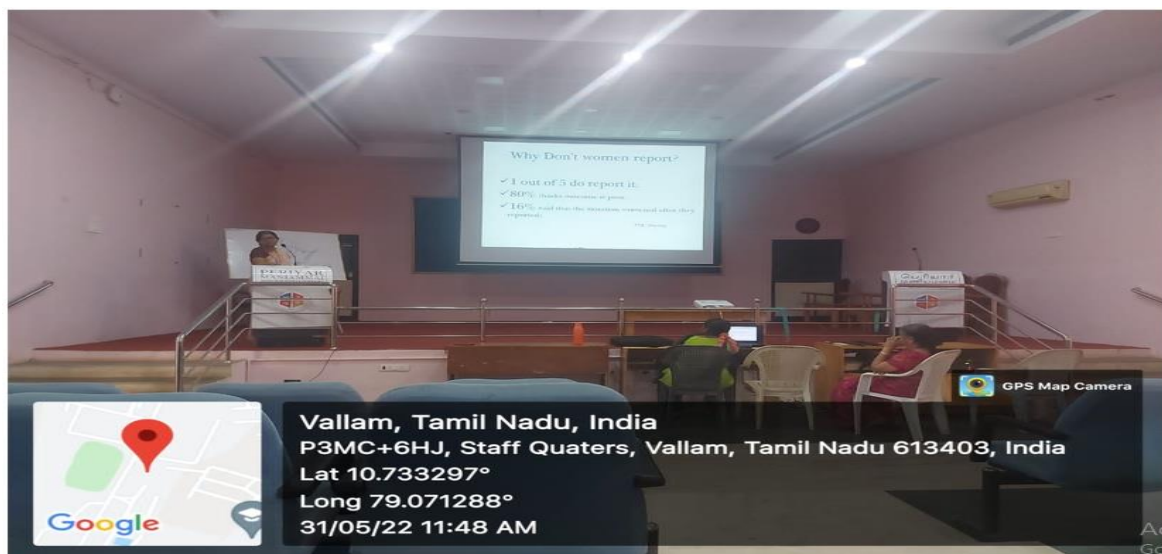

Dr. K. Laksnmi, Professor /CSE, explained about the Sexual Harassment of Women at Work Place (Prevention, Prohibition and Redressal) Act, 2013 (POSH Act). This Act will protect the women at work place from sexual harassment. She added that the Act defines sexual harassment, lay down the procedures for a complaint and inquiry, and the action to be taken.

She highlights the three major elements of POSH Act such as

1. gender equality in the workplace,
2. gender-specific violence, and
3. inappropriate sexually coloured behaviour

It encourages women to come out and report any sexual misbehaviour by anybody in the workplace, hence ensuring a safe working environment. She informed the students that they have to report to her if any misbehave is happened to them or their friends so that the committee will take appropriate action.

220 students (70 Girls & 150 Boys) were actively participated in the session and they interacted with the speaker. The programme was ended with the vote of thanks delivered by Ms. first year B.Sc (CS).
