INSTITUTION GREEN POLICY

Placed in 48th Board of Management

Date: 1.3.2018

Agenda No: 48.35.3

INSTITUTION GREEN POLICY

PMIST has a comprehensive policy on Environment for its conservation and Green practices to ensure awareness among the stakeholders. The Policy also covers the Environmental protection and prevention of pollution. It motivates the staff and students to take up projects and such other initiatives in preserving the ecosystem, water conservation, wastewater management, water quality maintenance, clean energy resources, solid waste management, etc to maintain sustainability in the Campus.

The policy of PMIST is to conserve natural resources, develop sustainable solutions, innovations and implementation of rural technologies in order:

- To inculcate awareness among students about conservation of natural resources and to maintain sustainability.
- To facilitate and implement technologies in Rural areas.
- To follow fair, eco- friendly technologies and Green Practices which incorporates everything from implementation to training of students through institutions in an ethical manner
- To progress towards advanced engineering designs to maintain and promote the sustainability.
- To develop a society to take care of natural resources and to live along with nature.

Implementation

- The Institute incorporates the policy on environment in its day- to-day administration.
- The student's clubs viz. Energy Club and Environment Club create awareness on the policy through their activities.
- The institute has laid a proper system for:
 - Conservation of Water
 - Solid waste management
 - Waste water management
 - Renewable energy gadgets
- The Estate office in association with the Centre for Energy and Environment and other departments concerned shall ensure the proper working of the above systems.
- The institute has a dedicated chief Agricultural Officer to implement the Green Cover, landscaping, plantation, nursery and tissue culture. This will be achieved through the student participation-NSS, NCC and Student's clubs.

Budgetary provisions

- The institute allocates adequate fund to carry out the policy on Environment through various heads.
