Selection process: Intimation about the election of gender champions shall be given to the students through the department head. The guidelines and the eligibility criteria shall be posted on the notice board. The applications will be distributed to the interested and eligible students, and the filled-in applications will be received in at least one month. The received applications shall be shortlisted by the selection committee formed by the head of the institution. The selection committee will conduct the interview for the shortlisted students and will select a minimum of four students (two female students and two male students) as per the strength of the institution. These students will act as gender champions.

The activities of the Selection process was followed as given below

Intimation about the election process to students - 15.07.2022

Last Date for receiving applications -	16.08.2022
Shortlisting and verification of applications -	20.08.2022
Screening/Interview and Selection –	23.08.2022

A circular was sent to all heads of departments by mail for the nomination of students for the selection of gender champions. Before that, the MHRD guidelines for the selection of gender champions were circulated to all students through notice boards on July 15, 2022. The selection committee conducted interviews for all the students on August 23, 2022. An interview was conducted, and selection was made as per the guidelines of MHRD, including their attendance, marks scored, attitude, skills, leadership quality, and understanding of social issues.

Finally four students (two female students and two male students) were selected as Gender Champions.

1.	Ramavivinya. R	120011165044	III B.Sc. Chemistry	Female
2.	Ranjithparthiban M	121012063238	III B.Tech Computer Science &Engg.	Male

Report of the programme

The Department of Civil Engineering, jointly with the Gender Champions Club, organised a Gender Sensitization Programme: Gender Issues and Equality on August 25, 2022.

Dr. C. Vimala, Nodal Teacher, GCC, briefed on the activities of the Gender Champions Club. She also mentioned that the prime duty of the GCC of PMIST is to facilitate a conducive environment on the premises where girls and women are treated with dignity and respect. She also insisted that if the students come to know or see any mischief or harm happening to any gender, the duty of the students is to take it to the higher authority immediately. Then only we can avoid all the harm and bring the students to the safer side. This helps students evaluate their personal attitudes and beliefs. Ms. P. Latha, AP/Civil Engineering, gave a talk on the importance of human personality and gender equality. She explained more about gender inequality, discrimination, and a variety of unhappy issues that affect women and girls.

We have to monitor to create a safe and harmless environment and support activities for women’s rights, building capacity, access to justice, socio-economic equality, and participation in decision-making.

Students interacted actively and were assured to involve themselves in promoting gender-related activities

Programme No.	6	Topic of the programme	Awareness programme on “Gender issues, Harassment in study and work place”
Date	18.10.2022	Resource Person	Dr. C. Vimala, Asso. Prof. / Maths& Nodal Teacher - Gender Champions Club Dr. AR. UmayalSundari, Asso. Prof./ Physics & Presiding Officer – Internal Complaints Committee

Objective of the programme:

To disseminate awareness on the activities to be carried out by Gender Champions Club (GCC) & Internal Complaints Committee (ICC) among the class representatives, Student Council Members & Gender Champions.

Organized by : Gender Champions Club (GCC)& Internal Complaints Committee (ICC)

Date & Time : 18.10.2022& 11.00 am - 12.00 Noon

Venue : Valluvar Hall

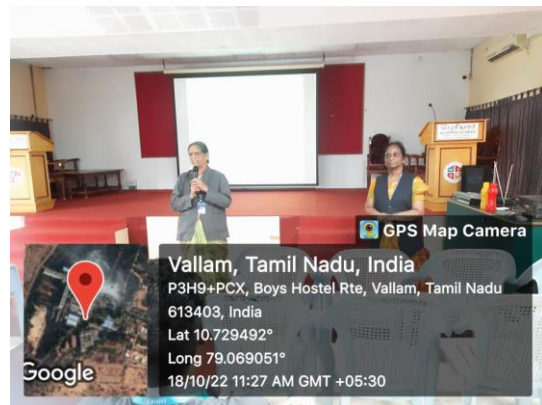

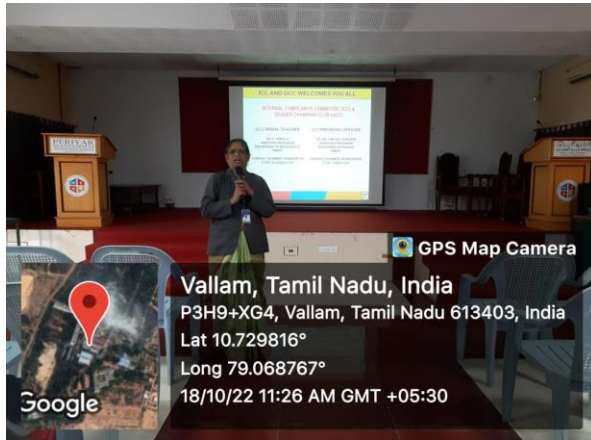

Participants: 137 (Female – 61, Male – 76) students

Report of the programme:

Dr. C. Vimala, Nodal Teacher, GCC, welcomed the gathering and briefed the activities of the Gender Champions Club. She also mentioned that the GCC of PMIST facilitates a conducive environment on the premises where girls and women are treated with dignity and respect.

Dr. AR. UmayalSundari, presiding officer of the ICC, informed the participants that the ICC is a workplace committee to receive and redress complaints of sexual harassment against women. She explained in detail about the PoSH Act, 2013 (Prevention, Prohibition, and Redressal); behaviours that are included in sexual harassment; gender equality at the workplace; gender-specific violence; and sexually coloured havior. She laid down the procedure for making or registering a complaint against sexual harassment and the action that will be carried out by the members of the ICC against the registered complaint. The members of ICC with their contact details and the mailing address icc@pmu.edu were shared to the students to come forward and report any kind of sexual harassment inside the premises.

Dr. C. Vimala introduced the members of Gender Champions Club to the participants (Class Representatives, Students Council members and Gender Champions) and requested the participants to share all the information discussed in the meeting to their classmates thus ensuring a safe study and working environment. Gender Champion Mr. SriArihant Jain, Final year, B. Com. (Hons.) proposed vote of Thanks to all the participants.

Programme No.	8	Topic of the programme	Cyber Security for Women Safety
Date	02.02.2023	Resource Person	Dr. A. E Narayanan , Associate Professor/CSE& Centre(i/c)-National Cyber Defense Resource Centre, PMIST, Vallam

Objective of the programme:

To provide awareness among the students about Cyber security for Women Safety

No. of Participants:

147 (Girls – 43; Boys – 104) students from department of Mathematics & Commerce

Report of the programme

The Gender Champions Club jointly with the Department of Mathematics and Commerce organized a programme on 02.02.2023.

Dr. AE. Narayanan, Associate Professor/CSE & Centre(i/c)-National Cyber Defense Resource, PMIST, Vallam delivered a talk on “Cyber security for Women Safety”. He explained the concept of Cyber security. He narrated the issues, how the hackers target the information, how the women affected and how the cyber security helps them.

Women internet users face a number of cybercrime incidents and online harassment and at an increased risk of financial data loss, violations of privacy, and security loss. These factors are emphasizing the importance of designing a cyberspace that is safer, more gender inclusive, and promote the efforts to close the workforce and gender gap.

Finally Mr. V. Sriarighth Jain, III B.Com (H), Gender Champions(Boy), had demonstrated lively how the data are hacked. The 147 (Girls – 43; Boys – 104) students from the department of Mathematics and Commerce participated the programme. The students interacted with the resource person. The programme was ended with the vote of thanks by Ms. R. Rama Vivinya, III year B.Sc. Chemistry & Gender Champions(Girl).

Report of the programme

Welcoming the gatherings & Honouring the guest Ms. S. M. Mathivathani

The Gender Champions Club, jointly with the Department of Mathematics, organised a gender sensitization programme on March 10, 2023, by 2.30 p.m. Ms. S. Maharani, II-year M.Sc. Maths, delivered the welcome address.

The Hon'ble Vice Chancellor appreciated the organiser for conducting this type of program. He insisted that this concept has to go to all students on campus in order to respect gender and, moreover, for equal rights.

Ms. S. M. Mathivathani, Advocate, was the resource person and delivered a talk on gender issues, steps to be taken for women's safety, gender balance, and empowerment of women. She

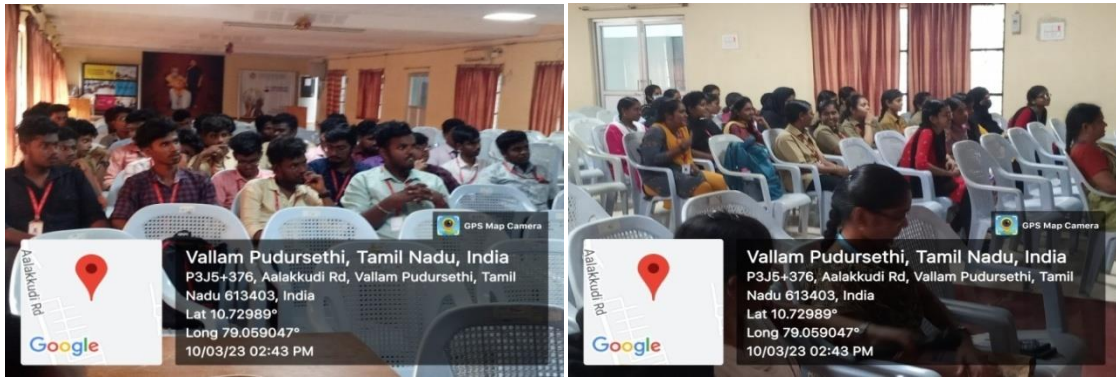

insisted the women come out to exercise their power, to improve their studies, to develop their personalities, to understand the realities, and to improve their personal attitudes and beliefs.

She narrated that the parents are always advising and controlling the female child, as if they don't know anything. But they would not advise or control their male child, whereas the parents have more confidence and belief in their male child. This has to be equalised for both genders.

Students participated and interacted with the speaker very enthusiastically. Students gave feedback that they very well got the idea about rules, laws for women's safety, filling the gap between men and women, and creating a safe and secure environment for both genders as well as for the third gender. Ms. V. K. Nivetha, II-year B.Sc. Maths, gave the vote of thanks.

Programme No.	11	Topic of the programme	Gender Equality
Date	14.03.2023	Resource Person	Ms. AD. Lilypushpam, Counselor, PMIST, Vallam

Objective of the programme:

To provide awareness among the students about Gender Equality

Venue: Marie Curie Hall

No. of Participants:

60 (Girls – 41; Boys – 19) students from Department of Mathematics & Education

Report of the programme

The Gender Champions Club, jointly with the Department of Mathematics and Education, organised a programme on the topic “Gender Equality on March 14, 2023.

Ms. AD. Lilypushpam, Counsellor, PMIST, gave a talk on “Gender quality.” She explained that women are given respect and involved in decision-making processes. She also compared it with women in the past and in the present. She also highlighted the equality and empowerment of males and females but also transgender people. She also insisted the students

- to provide a harmonious, conducive, and fruitful environment for all students to excel physically, mentally, intellectually, and emotionally, upholding ethics and values.
- to provide awareness, training, and building self-confidence
- to bring positive attitudes and believes.
- to change their perspective about gender and create a safe and secure environment where all three genders coexist harmoniously.

Students were interacted with the speaker. They said that they have acquired more knowledge on the empowerment of women and equality. They assured that they will disseminate it with their classmates. Ms. M. Shalini, III-year Civil Engineering, proposed a vote of thanks.
