Programme No.	01	Topic of the Programme	Celebration of World Environment Day 2023
Date	05.06.2023	Organized by	Centre for Energy and Environment Periyar Maniammai Institute of Science & Technology

On the eve of World Environment Day, Centre for Energy and Environment of Periyar Maniammai Institute of Science and Technology, Thanjavur jointly organized an event WALKATHON TO END PLASTIC POLLUTION with Vallam Selection Grade Panchayat, Vallam on 5.6.2023. The Walkathon was made under the theme of the World Environment Day 2023 is Beat Plastic pollution. Faculty and students from the Institute and the employers, President and the public were participated. About 120 persons were actively participated. Initially everyone paid homage to the peoples who expired in Odissa Train accident. Then the pledge was taken by all to protect the environment. Then the Walkathon was commenced by raising the green flag by Dr. P.K. Srividhya, Registrar, Periyar Maniammai Institute of Science and Technology and by Ms. Kalyani, President, Vallam. The participants created chants against plastics. The Walkathon was made over 500 meters. Participants planted trees, and the walkathon was ultimately concluded with an overview of solid waste management and composting technologies at Vallam by the Executive Officer of Vallam Selection Grade Panchayat.

Walkathon was inaugurated by Dr. P. K. Srividhya, Registrar, Periyar Maniammai Institute of Science and Technology and Ms. Kalyani, President, Vallam on 5.6.2023

Tree plantation by the Registrar, Periyar Maniammai Institute of Science and Technology and by the President, Vallam on 5.6.2023

Feedback

- ★ I am Happy to Participate to this speech.
- ★ No words to Explain this happiness because it is Infinity.
- ★ I am very fear of the speech sorry..!
- ★ I have no ideas in my results..
- ★ But results is not important.
- ★ This is best opportunity thanks for this opportunity
- ★ I like yoga without any reasons.
- ★ Every morning I do yoga.
- ★ Yoga is my one of Painkiller..!
- ★ My class teacher (C.G. ^{mam} says to we join in everything and say some words) Thanks for [C.G. mam]
- ★ Thanks for this wonderful happiness of opportunity.
- ★ Once again and again thanks..!

Thankyou for all..!

Programme No.	03	Topic of the Programme	Seminar on “Role of Higher Education Institutions in Community Engagement”
Date	27.07.2023	Organized by	Department of Social Works Periyar Maniammai Institute of Science & Technology

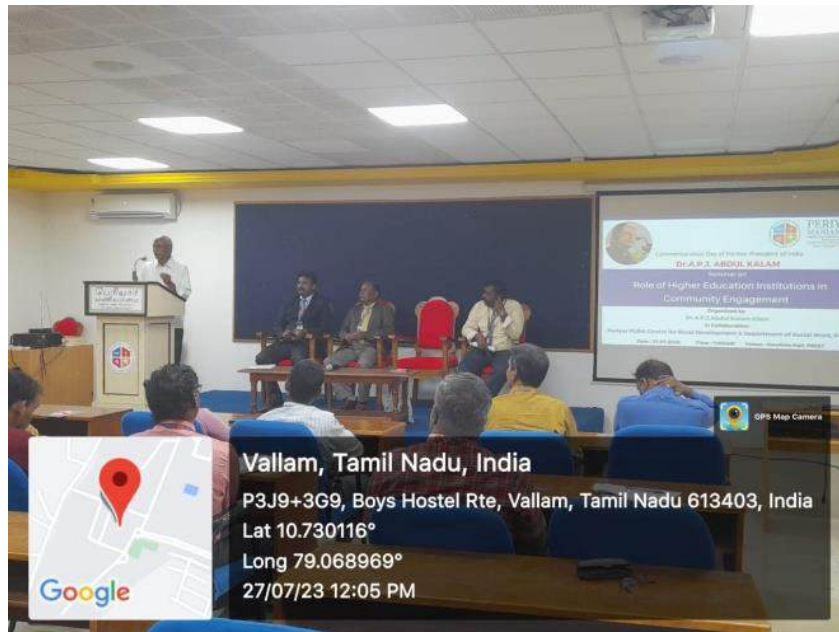

Objectives

- To educate faculty and students on the importance of community engagement.
- To discuss the challenges to be faced during the community developmental activities.

Dr. A.P.J. Abdul Kalam Chair, in collaboration with the Periyar PURA Centre for Rural Development (CRD) and the Department of Social Work, PMIST, organized a seminar on “The Role of Higher Education Institutions in Community Engagement” on 27.07.2023 at Dawkins Hall, PMIST. Dr. A. Anand Jerard Sebastine, Associate Professor, Department of Social Work, and Director i/c, Periyar PURA CRD, PMIST, delivered the welcome address.

Dr. S. Velusami, Vice Chancellor of PMIST, presided over the event and highlighted that Periyar Maniammai Institute of Science & Technology is realizing the vision of the revolutionary Periyar and the Former President of India, Dr. A.P.J. Abdul Kalam. He also urged everyone to work collaboratively to build a better future for the next generation.

Mr. A. Gregory, Director of Voice Trust, Trichy, delivered a special address. In his speech, he emphasized the importance of inclusive development, protecting nature, and implementing the principles of the late Nammalwar, known as India’s green crusader, agricultural scientist, environmental activist, and organic farming expert. He also elaborated on the significant role higher education institutions can play in societal development by actively involving faculty and students in community engagement initiatives. A total of 39 students and faculty members participated in the program. Dr. S. Gnanaraj, Assistant Professor, Department of Social Work, PMIST, proposed the vote of thanks.

Mr. A. Gregory, Director of Voice Trust, Trichy, delivered the special address.

DEBRIEFING WITH LOCAL BODY ABOUT CLEANLINESS – 05.09.2023

Department : Electronics and Communication Engineering

Faculty Name : Dr. C. Narmadha, HoD / ECE

Ms. C. Sathya, AP / ECE

Ms. R. Ramiya AP / ECE

Place : Pillayarpatti, Vallam, Thanjavur.

Centre for Energy and Environment and Periyar community radio jointly organized awareness of the Debriefing with the local body about the Cleanliness program to make awareness to the people “spreading the message of cleanliness not only among the students but also in the surrounding areas”. Student volunteers along with the faculty/staff volunteers made this program very successful. We insist the people for Self-cleaning and Environmental Cleaning for the people. The object of this program is to spread good health to overcome health problems and make awareness the non-polluted environment. We take the resolution "Self Cleaning and Make Cleaning Environment. The following points are discussed in the program.

- Use Public Transport or Walk/Bike Whenever Possible.
- Plant a Tree and Take Care of It.
- Use at Least One Natural Product.
- Save Electricity and Use Energy-Efficient Lighting.
- Reduce Meat Consumption.
- Avoid Single-Use Plastics.
- Conserve Water.

CLEAN HOSTEL DRIVE - NSS - 04.09.2023

Report of the Event:

The NSS Unit X & Centre for Energy and Environment jointly organized a Program on “Swachchata Pakhawada Celebration - Hostel Clean Drive”. Ms. Kaviya B.V II_BCA-A gave the welcome address and Mr. M. Chandrakumar Peter NSS Program Coordinator delivered the Presidential address. Mr. D. Keerthivasan, Director i/c, Center for Energy and Environment delivered the Keynote Address.

On this occasion, NSS Volunteers were aware of the Swachchata Pakhawada and then they cleaned the Chakravarthi Hostel Dining Hall and Hostel premises finally, S.Abu Huraira of I BCA-A proposed the Vote of Thanks.

About the Participants:

60 student volunteers participated in this event. They used to split into two teams and clean the Chakravarthi Hostel Dining Hall and Hostel premises.

Volunteers feedback:

Student Volunteers gave feedback positively about the event and suggested conducting various activities this year.

Cleaning Campania in Chakravarthi Hostel Dining Hall. Volunteers clear the fans, walls, and floor.

Mr. M. Chandrakumar Peter NSS Program Coordinator delivered the Presidential address, motivated the students about their roles and responsibilities and Discussed about Swachchata Pakhawada Celebration

Cleaning Campania in Chakravarthi Hostel premises. Volunteers clear the weeds around the hostel premises so that we can avoid mosquitos and harmful insects.

ESSAY WRITING COMPETITION - LANGUAGES - 11.09.2023

Programme/ Competition	:	Essay Writing and Speech Competition

6. Event Report

Name of the Event: 56th Engineers Day

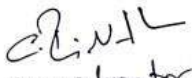

Date: 15.09.2023

Time :11.30 P.M to 12.30 P.M

Venue: Valluvar Hall Department of Electronics and Communication Engineering organized 56th Engineers Day in association with The Institution of Engineers (India) [IEI], Thanjavur Local Centre and Periyar Maniammai Institute of Science &Technology, Local Chapter on 15.09.2023. Two hundred students participated in this programme. Mr. R.K. Muthuraman,,IEI,PMIST chapter Assistant Professor / Aero welcomed the Guest speakers and all the faculty and students who have participated in this event .Dr. P.K.Srividhya, Registrar ,PMIST gave the inaugural address about the celebration of World Engineering day and about promoting Engineering as a career and how it is an opportunity to change the world for better to the participants.

Dr.S.Velusami , Vice Chancellor, PMIST gave the presidential address . He highlighted the remarkable contributions of M.Visvesvaraya in the fields of science and technology. Dr.Kathiravan ,Dean FET, PMIST gave the felicitation address . He addressed about the focus of this day, is to promote the incredible work of engineers, and aware people about their selfless contribution in shaping the world. Er.E.Jayakumar ,Chairman ,IEI, Thanjavur Local Centre addressed the participants why we are celebrating Engineers Day. In order to pay tribute to our Indian engineer and Bharat Ratna Sir Mokshagundam Viswesvaraya , Engineers play an important role in the nation's development. He explained the theories of mathematics and science and innovative works which led to the development of the world. In order to honor their achievements, Engineers Day was celebrated in different Nations. PMIST faculty Dr.D.Jeyasimman, Professor, Mech , Dr.M.Muruganatham, Associate Professor/EEE, Dr.C.Narmadha ,Associate Professor /ECE Dr.A.Ashokkumar, Associate Professor /Bio-tech awarded for their contribution towards Patent,

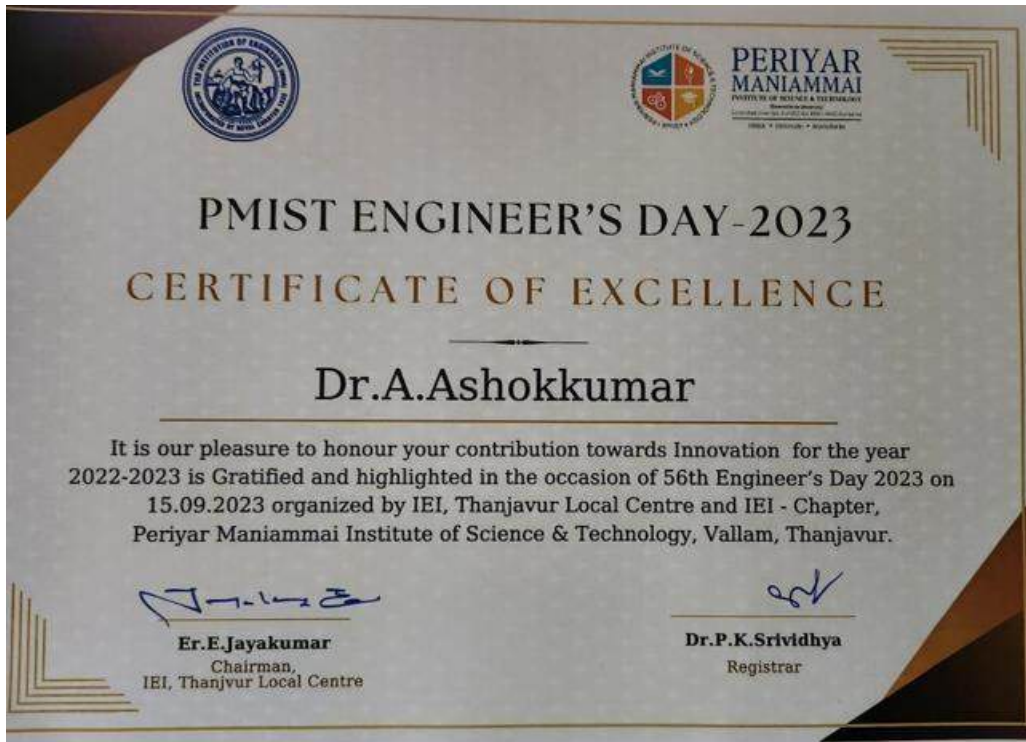

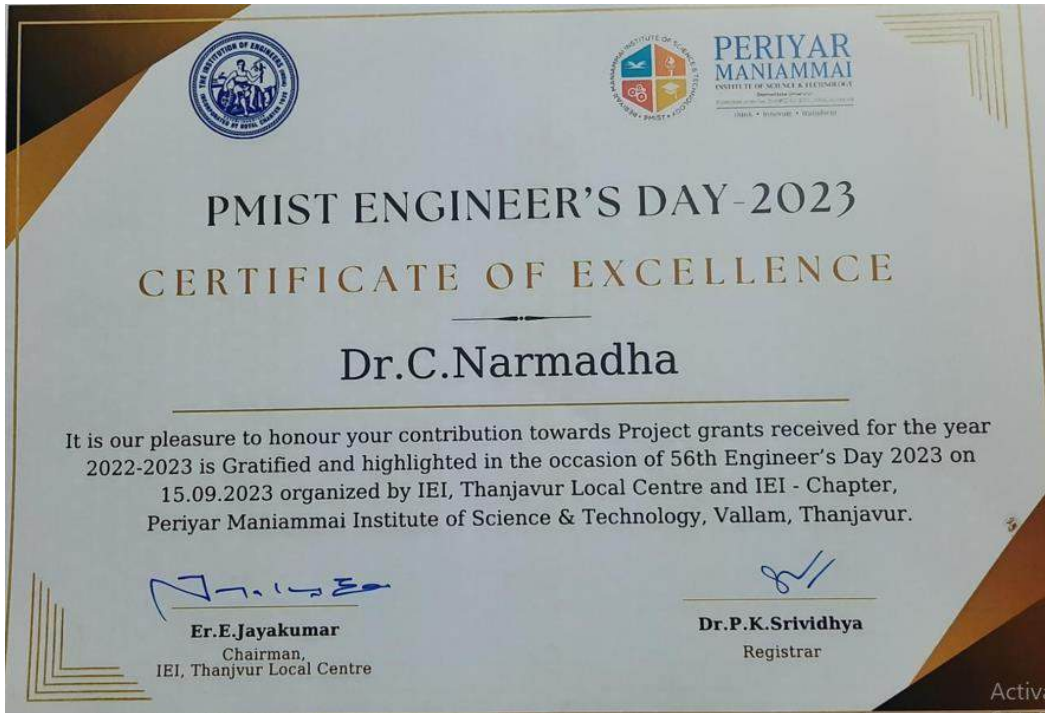

Paper Publication, Funding and Innovation. Finally, Dr, C.Narmadha ,Associate Professor /ECE proposed vote of thanks to all the participants. Dr. C.Rajanandhini , Assistant. Professor/ ECE coordinated the programme.

10. Outcomes

- Understand the birth anniversary of Sir M Visvesvaraya, also known as India's first civil Engineer.
- Understand the demand for skilled Engineers for various industries.

Programme No.	10	Topic of the Programme	Water Quality Monitoring Day
Date	19.09.2023	Organized by	Centre for Energy and Environment, Periyar Maniammai Institute of Science & Technology

Water Quality Monitoring Day 2023

Date: 19th September 2023 (Forenoon)

Venue: Environmental Engineering Laboratory, PMIST

Water Quality Monitoring Day 2023 was celebrated at the Environmental Engineering Laboratory, PMIST, with an enlightening session aimed at raising awareness about water quality and its significance in today's environmental scenario. This event was organized by the Centre for Energy and Environment, demonstrating a commitment to fostering sustainable practices and environmental responsibility.

The session was graced by the esteemed presence of **Professor Dr. A. Manohar** from the Department of Chemistry, who delivered an engaging lecture to undergraduate students from the Civil Engineering department. His discourse emphasized the importance of water quality in the context of global environmental challenges and sustainable development. The professor elaborated on key aspects of water quality monitoring, including:

- The chemical composition of water and its impact on health and ecosystems.
- Methods and technologies for assessing water quality.
- The urgent need for preserving water resources amidst increasing pollution.

The event also witnessed the participation of notable dignitaries, including **Dr. D. Thayalanayaki**, Head of the Department of Civil Engineering, and **Mr. D. Keerthivasan**, Director in-charge of the Centre for Energy and Environment. Their presence underscored the importance of interdisciplinary collaboration in addressing environmental concerns.

Alignment with Sustainable Development Goals (SDGs)

The event was closely aligned with the following United Nations Sustainable Development Goals:

1. **SDG 6: Clean Water and Sanitation**
 - Promoting awareness about ensuring the availability and sustainable management of water and sanitation for all.
2. **SDG 13: Climate Action**

- Highlighting the role of water quality in mitigating climate-related impacts.

3. SDG 4: Quality Education

- Providing students with knowledge and skills to address global environmental challenges.

The Water Quality Monitoring Day 2023 at PMIST successfully educated and inspired students to recognize the critical importance of water quality in achieving sustainable development. The event served as a reminder of the collective responsibility to protect and preserve vital water resources for future generations.

Mr. D. Keerthivasan
Director i/c – CEE

Programme No.	11	Topic of the Programme	YOGATHON - DESC
Date	19.09.2023	Organized by	Centre for Energy and Environment & Department of Physical Education, Periyar Maniammai Institute of Science & Technology

Date: 19.09.2023

Venue: Indoor Stadium, PMIST

The Centre for Energy and Environment, in collaboration with the Physical Education Department, organized the **Yogathon** event at the Indoor Stadium, PMIST. This initiative aimed to promote physical and mental well-being among students through the practice of yoga, fostering a holistic approach to health and sustainability.

The event witnessed enthusiastic participation from several **BCA students**, who actively engaged in practicing yoga under the guidance of **Dr. P. Ramesh**, Physical Education Director. Dr. Ramesh skillfully trained the students, emphasizing the benefits of yoga in enhancing physical fitness, mental clarity, and emotional balance.

Mr. D. Keerthivasan, Director in-charge of the Centre for Energy and Environment, was also present, lending his support to the event and highlighting the role of such activities in promoting a sustainable and healthy lifestyle.

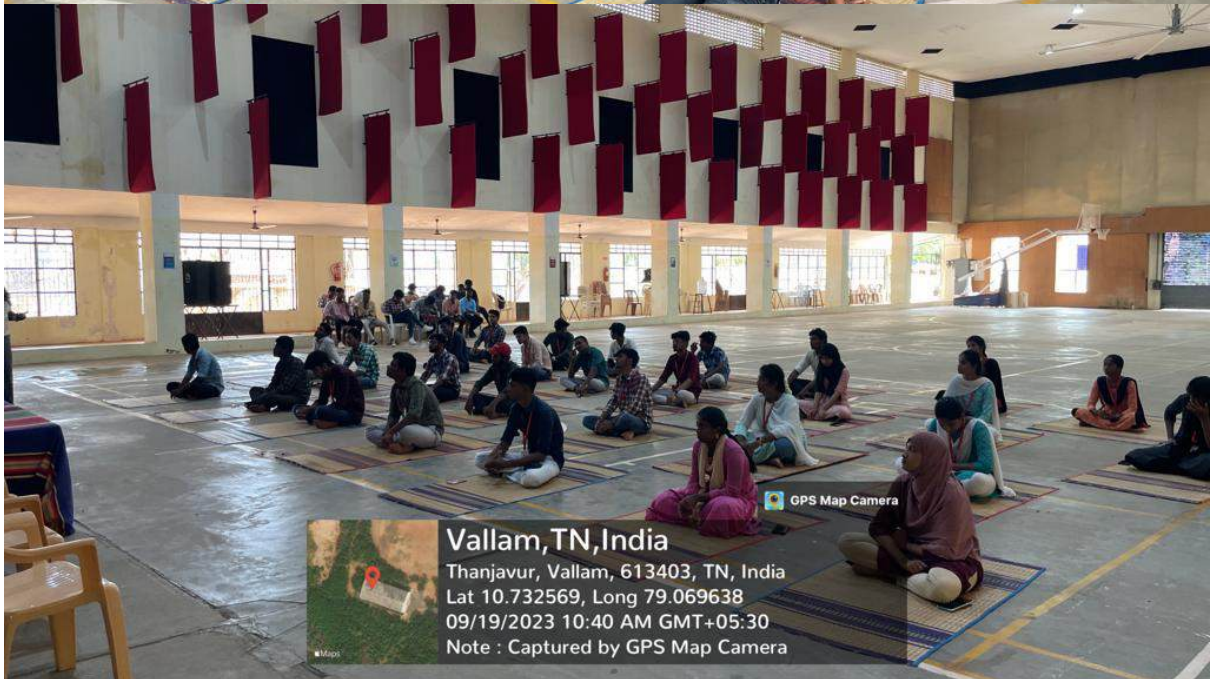

Alignment with Sustainable Development Goals (SDGs)

The Yogathon event closely aligned with the following United Nations Sustainable Development Goals:

1. **SDG 3: Good Health and Well-being**
 - Encouraging practices that improve physical and mental health.
2. **SDG 4: Quality Education**
 - Providing students with knowledge and skills for promoting sustainable well-being.
3. **SDG 13: Climate Action**
 - Raising awareness about sustainable living and harmony with nature, integral to mitigating climate challenges.

The Yogathon event at PMIST successfully highlighted the importance of integrating yoga into daily routines as a pathway to achieving sustainable health and well-being. The collaboration between the Centre for Energy and Environment and the Physical Education Department set a

benchmark for interdisciplinary efforts in fostering a culture of holistic health among students.

Mr. D. Keerthivasan
Director i/c – CEE

Programme No.	12	Topic of the Programme	Ozone Day - E Poster Competition
Date	19.09.2023	Organized by	Centre for Energy and Environment & Department of Civil Engineering, Periyar Maniammai Institute of Science & Technology

Date: 19.09.2023

Mode: E-Competition

The Centre for Energy and Environment, in collaboration with the Department of Civil Engineering, organized a week-long **Poster Competition** to commemorate **Ozone Day**. The event aimed to raise awareness about the significance of the ozone layer and encourage students to showcase their creativity and understanding of environmental issues through compelling poster designs.

This virtual competition witnessed enthusiastic participation from students across various departments. The participants submitted their posters via email, reflecting diverse perspectives on the importance of protecting the ozone layer and promoting sustainability.

The event was spearheaded by **Mr. D. Keerthivasan**, Director in-charge of the Centre for Energy and Environment, who served as the **Convenor**. **Ms. S. J. Princess Rosaline** took on the role of **Coordinator**, ensuring the seamless execution of this innovative initiative.

Alignment with Sustainable Development Goals (SDGs)

The Ozone Day Poster Competition aligns with the following United Nations Sustainable Development Goals:

1. SDG 13: Climate Action

- Spreading awareness about the role of the ozone layer in mitigating climate change and the need for collective action.

2. SDG 4: Quality Education

- Encouraging students to research and creatively express their understanding of environmental issues.

3. SDG 12: Responsible Consumption and Production

- Highlighting the importance of sustainable practices and reducing harmful emissions that affect the ozone layer.

The Ozone Day Poster Competition was a resounding success, inspiring students to delve into environmental issues and advocate for the protection of our planet. The event underscored the

importance of collaborative efforts in fostering a sustainable future while providing a platform for young minds to express their environmental consciousness.

WORLD OZONE DAY

Heal the Ozone, Heal the World

The ozone layer is our global sunscreen, and we must protect it.

Warmer temperature
increases water evaporation, leading to bigger and more dangerous storms.

There is great loss of snow cover in spring and summer.

Global warming

The ARCTIC
is burning twice as fast as south.

Pollution
The hole in the ozone layer is caused by all pollutants. Chemicals used as refrigerants, such as chlorofluorocarbons (CFCs), contain chlorine atoms. Releasing chlorine atoms into the stratosphere destroys ozone. A single chlorine atom can destroy thousands of ozone molecules.

CFC FREE

Deforestation

Melting glaciers

GO GREEN

Safeguarding the ozone: our moral duty.

Ocean acidification

Sea ice

Stratification
Formation of different layers of water.

WATERS LIFE
An ocean animal, there is lack of oxygen in water which is harmful to MAKING LIFE.

Programme No.	13	Topic of the Programme	Slow Cycling Competition - DESC 2023
Date	21.09.2023	Organized by	Centre for Energy and Environment & Department of Physical Education, Periyar Maniammai Institute of Science & Technology

Date: 21st September 2023

Venue: PMIST Campus

The Centre for Energy and Environment, in collaboration with the Physical Education Department, organized a **Slow Cycling Competition** on 21st September 2023. This unique event aimed to promote balance, patience, and physical fitness among students while fostering a spirit of sportsmanship and sustainability.

The competition saw active participation from several students of the Civil Engineering department. The event was conducted under the guidance of **Dr. P. Ramesh**, Director of Physical Education, who ensured a fair and engaging experience for all participants. **Mr. D. Keerthivasan**, Director in-charge of the Centre for Energy and Environment, served as the **coordinator** of the event, contributing to its smooth execution.

The event was graced by the presence of **Dr. D. Thayalnayaki**, Head of the Department of Civil Engineering, and the **Dean of the Faculty of Engineering**, both of whom expressed their appreciation for the initiative and encouraged students to actively participate in such activities.

Alignment with Sustainable Development Goals (SDGs)

The Slow Cycling Competition aligns with the following United Nations Sustainable Development Goals:

1. SDG 3: Good Health and Well-being

- Promoting physical activity and mental well-being through sports and recreational activities.

2. SDG 11: Sustainable Cities and Communities

- Encouraging the use of bicycles as an eco-friendly mode of transport, contributing to sustainable urban mobility.

3. SDG 13: Climate Action

- Highlighting the importance of reducing carbon footprints by advocating for sustainable transportation methods like cycling.

The Slow Cycling Competition at PMIST successfully engaged students in a fun and meaningful activity while reinforcing the values of health, sustainability, and community. The event reflected the institution's commitment to fostering holistic development and environmental consciousness among its students.

Date: 21st September 2023

Venue: Le Corbusier Hall and Drawing Studio, Architecture Block, PMIST

The Centre for Energy and Environment, in collaboration with the Department of Architecture, organized an **Art Competition** to mark **Zero Emission Day** on 21st September 2023. This initiative aimed to encourage creative expression while raising awareness about reducing emissions and promoting sustainable living.

The competition saw enthusiastic participation from several students of the Architecture department, who showcased their artistic talents by creating thought-provoking artworks that emphasized the importance of achieving a zero-emission future.

The event was convened by **Mr. D. Keerthivasan**, Director in-charge of the Centre for Energy and Environment, and coordinated by **Ar. Sangavi**, Assistant Professor of the Department of Architecture. Their leadership ensured the smooth execution of the event and provided a platform for students to engage with critical environmental themes creatively.

Alignment with Sustainable Development Goals (SDGs)

The Art Competition for Zero Emission Day aligns with the following United Nations Sustainable Development Goals:

1. SDG 13: Climate Action

- Raising awareness about the urgency of reducing greenhouse gas emissions and promoting sustainable practices through creative expression.

2. SDG 4: Quality Education

- Providing students with an opportunity to explore and express environmental issues through art, fostering awareness and critical thinking.

3. SDG 12: Responsible Consumption and Production

- Highlighting the importance of sustainable practices and the role of individuals in achieving a zero-emission future.

The Zero Emission Day Art Competition at PMIST provided a platform for students to creatively engage with environmental issues while promoting the values of sustainability and innovation.

The event successfully highlighted the critical role of art in raising awareness and inspiring action for a sustainable future.

Programme No.	15	Topic of the Programme	Urban Forestry for Thanthai Periyar 145th Birthday Celebration
Date	22.09.2023	Organized by	Centre for Energy & Environment & Periyar Community Radio 90.4, Periyar Maniammai Institute of Science & Technology

Date: 22.09.2023

Venue: Pillayarpatti, Thanjavur

To commemorate the **145th Birthday of Thanthai Periyar**, the **Centre for Energy and Environment (CEE)** of PMIST and **Periyar Community Radio 90.4**, in collaboration with the NGO **VANAM** from Thiruvarur, organized a **mass tree plantation drive** using the **Miyawaki method**. The event aimed to promote urban forestry, raise awareness about environmental conservation, and honor the legacy of Thanthai Periyar.

The event was convened by **Mr. D. Keerthivasan**, Director in-charge of CEE, and organized by **Dr. C. Narmadha**, Periyar FM Coordinator. **Mr. Kalaimani**, Managing Trustee of VANAM, facilitated the plantation process, ensuring the successful implementation of the Miyawaki method. The plantation was carried out on **1 acre of land** generously allotted by **Mr. Udhayakumar**, President of Pillayarpatti.

The event witnessed the participation of several dignitaries:

- **Mr. V. Anburaj**, Board of Management Member of PMIST, addressed the students, emphasizing the significance of protecting nature and the role of youth in environmental conservation.
- **Mr. Sun Ramanathan**, Mayor of Thanjavur, attended the event and underlined the critical importance of tree plantations in combating climate change and enhancing urban greenery.
- **Dr. Anjugam Boopathi**, Deputy Mayor of Thanjavur, congratulated the students and applauded their active involvement in the plantation drive.

A total of **180 students from the ECE department** participated, enthusiastically planting trees and contributing to the creation of a greener future.

Alignment with Sustainable Development Goals (SDGs)

This Urban Forestry initiative aligns with the following United Nations Sustainable Development Goals:

1. SDG 13: Climate Action

- Addressing climate change by increasing green cover and reducing carbon dioxide levels.

2. SDG 15: Life on Land

- Promoting sustainable land use practices and restoring degraded ecosystems through

urban foresting.

3. SDG 11: Sustainable Cities and Communities

- Creating greener urban spaces to enhance liveability and foster environmental sustainability.

4. SDG 17: Partnerships for the Goals

- Highlighting collaboration between educational institutions, local government, and NGOs for sustainable development.

The Urban Foresting initiative at Pillayarpatti successfully celebrated the 145th birthday of Thanthai Periyar by fostering environmental stewardship among students and community members. The participation of dignitaries, students, and local stakeholders underscored the collective commitment to protecting nature and achieving a sustainable future.

Programme No.	17	Topic of the Programme	Grama Sabha Meeting
Date	02.10.2023	Organized by	Department of Mechanical Engineering, Periyar Maniammai Institute of Science & Technology

Report on Grama Sabha Meeting – 02.10.2024

Rayamundanpatti Village

The Grama Sabha Meeting of Rayamundanpatti (an UBA and Periyar PURA village) Village was held at the Panchayat Council Office, Vendayampatti on 02.10.2024 from 10.00 am to 12.30 pm. The meeting was attended by Gram Panchayat President Mrs. Kanimozhi Sivakumar, all Gram Panchayat members, Village Administrative Officer and village members.

The following students of III Year B.Tech. Mechanical Engineering attended the meeting

along with faculty Mr. A. Pugazhenth, Assistant Professor (SS) / Mechanical Engineering.

1. Mr. A. ALLWIN JOSON - Register Number 123012065647
2. D. SIVASANKARAN - Register Number 123012065666

During the meeting, various issues related to the Panchayat villages were discussed. The key points are given below.

1. The Public expressed minor issues related to general amenities available in the village. Particularly, they reported that the common Water tank (made of sintex) got bulged is not in good condition; Electrical appliances – fan and light are not in proper working condition in the room meant for Noon meal Program.
2. The Panchayat President assured for immediate action on the above issues. The students suggested constructing concrete based water tank during the meeting.

Programme No.	19	Topic of the Programme	Observance of World Mental Health Day - 2023
Date	10.10.2023	Organized by	Department of Social Works, Periyar Maniammai Institute of Science & Technology

Objectives of the Programme

- Promoting mental health and psychological well-being to adolescents

Activity of the Programme

The Mind Club of Periyar Maniammai Institute of Science and Technology (PMIST), in collaboration with the Department of Social Work, organized a seminar on “Mental Health and Psychological Well-being of Adolescents” on World Mental Health Day 2023. The event took place at Dawkins Hall on 10.10.2023.

Ms. T. Alamelu, Assistant Professor, Department of Social Work, PMIST, welcomed the gathering. The introductory address was delivered by Dr. A. Anand Jerard Sebastine, Associate Professor, Department of Social Work, PMIST. In his speech, he emphasized the need for adolescents to focus on improving their mental health and advised them to refrain from engaging in deviant behavior during this crucial stage of life.

Prof. S. Velusami, Vice Chancellor of PMIST, presided over the programme. He shared statistical data on mental health issues among adolescents and encouraged students to prioritize both mental health and physical well-being.

Ms. D. Antony Lily Pushpam, Counsellor, VMCQLER, PMIST, delivered a special address. She discussed the causes of mental health problems among adolescents and provided practical suggestions for avoiding such issues. She also highlighted the significant role of adolescents in the nation’s development, urging them to focus on their overall well-being.

More than 60 students from the Department of Education, the Department of Software Engineering, and the Department of Social Work at PMIST participated in the seminar.

Finally, Dr. S. Gnanaraj, Assistant Professor and Mind Club Coordinator, Department of Social Work, proposed the vote of thanks.

Prof. S. Velusami, Vice-Chancellor of PMIST, delivered the presidential address.

Ms. D. Antony Lily Pushpam, Counsellor at VMCQLER, PMIST, delivered a special address.

WORLD STANDARD'S DAY COMPETITION
INTER COLLEGE SUMMIT

In Association With Periyar Maniammai Institute Of Science & Technology's
STANDARDS CLUB
&
BUREAU OF INDIAN STANDARDS

Venue : Periyar Maniammai Institute Of Science & Technology.
Date : 12-10-2023 & Time : 09.00 AM - 05.00 PM

COMPETITIONS

- Quiz.
- Debate.
- Poster Designing.
- Standard Writing / Essay Writing.

REPORT

World standards day was celebrated on 12.10.2023 in association with Standard club of PMIST. The Students Leader Mr.Hariharan (II Year Biotechnology) welcomed the participants, guest and the expert members.

Participants from various other departments and from other institutions participated the events. Competitions like quiz, Debate, Poster Designing & Standard writing were conducted.

Celebrate **World Standards Day, 2023**
with **Bureau of Indian Standards**

Theme: "Shared vision for a better world"
Join us for an exhilarating Journey of learning,
unlearning and relearning on **12-10-2023**

Objective:

The main objective to conduct various activities under Standards club is to motivate students about the practice of standards, standardization concept.

About the Participants:

PMIST Participants from other departments and participants from other institutions participated the event.

Student's feedback:

Students gave positive feedback and requested to conduct more awareness events on standards.

Guest lecture was concluded with vote of thanks delivered by Ms.S.Appu, II Year Mechanical Department- Member- BIS, PMIST.

Programme No.	21	Topic of the Programme	International Day for Disaster Risk Reduction
Date	13.10.2023	Organized by	Department of Civil Engineering, Periyar Maniammai Institute of Science and technology, Thanjavur

Report

Indian Geotechnical Society PMIST Chapter and Department of Civil Engineering Jointly organized the International Day for Disaster Risk Reduction under the theme Fighting Inequality for a Resilient Future on 13.10.2023, 11.00 a.m. at Marie Currie Hall, PMIST

Dr.V.A. Shanmugavelu, Associate Professor/Civil Engineering and Co-Ordinator, Indian Geotechnical Society PMIST Chapter welcomed the gathering.

Dr. P. Guru, Director i/c, Institute Industry Interaction Cell Periyar Maniammai Institute of Science & Technology, Vallam to address the gathering. In his speech, mentioned that unequal access to services like finance and insurance exposes vulnerable individuals to disaster risks, while disaster impacts worsen inequalities and push those at risk further into poverty.

78 participants from Final and third-year civil engineering have participated in the event.

Report

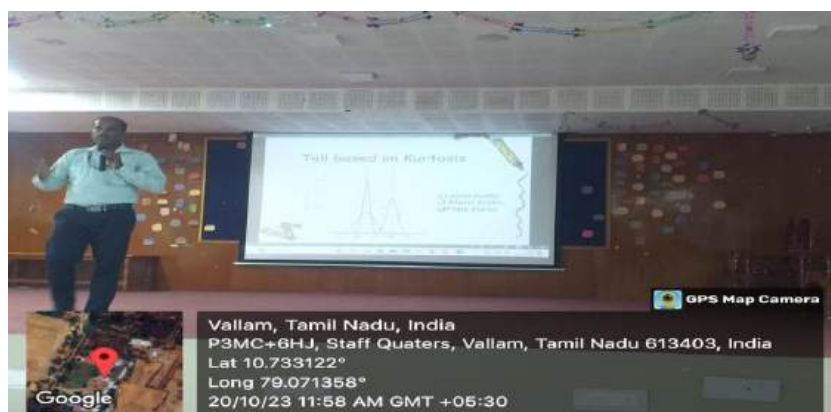

Periyar Maniammai Mathematics Association, Department of Mathematics, Periyar Maniammai Institute of Science & Technology organized World Statistics Day 2023 with a Special Lecture on “The importance of Statistics in Different Fields” on 20.10.2023.

Ms. G. Sudheshna, Student of II M. Sc Mathematics, has welcomed the gathering and our Resource Person Dr. R. Arumugam, Assistant Professor (SG), Department of Mathematics has given Special lecture on “The importance of Statistics in Different Fields”.

About 88 students were participated from Departments of Mathematics, Commerce and Management Studies in this programme. Their sessions provided many inputs for the students to gain more knowledge about statistics and its importance in different fields. All the participants enthusiastically attended the programme and they are suggested to organize such useful programme in future.

Presidential address given by Dr. R.Kathiravan/ Dean FET

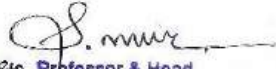

Special lecture given by Dr.R.Arumugam, AP (SG)/Mathematics

Outcomes of the programme:

World Statistics Day 2023 was celebrated and created the awareness for the students about the importance of statistics and its applications in various fields.

Programme No.	23	Technical demonstrations of Animation film making	Seminar: 2023 World Animation Day
Date	27.10.2023	Photography and Media Club, Animation and Multimedia Staffs & Students	Department of Software Engineering, Periyar Maniammai Institute of Science & Technology

DETAILED REPORT OF THE PROGRAM

Department of Software Engineering and Photography and Media Club jointly organized a seminar on “2023 World Animation Day” held on 27.10.2023. The Eighty students from Software Engineering department in our university are attended three hour duration seminar. This event is aims to motivate our students to take animation short film with different aspect and techniques. Students are participated very interestingly. At the time media professional shared his own experience and practically explained with different types of production stages in video format, and Our Students from I, II , & III B.Sc Animation and Multimedia students are benefitted. .

Programme No.	27	Title of the Event	Grama Sabha Participation (Ooratchi Mandra Kottam) 26 Jan 2024 Unnath Barath Abiyan
Date	26.1.2024	Organized by	Department of Biotechnology, Periyar Maniammai Institute of Science & Technology

PROGRAMME REPORT

Department of Biotechnology of PMIST was invited by Pudukudi Village President to jointly celebrate the 75th Republic Day on 26 JAN 2024 with Pudukudi Village people. From the Department of Biotechnology, Dr.A. Ashokkumar and Ms.P. Mala coordinated along with the students of Biotechnology. Member of the Parliament of Thanjavur was invited to address the people's grievances and so this program was considered as the main agenda of the Grama Sabha meeting (Ooratchi onriya kottam). PMIST participants observed the people's grievances such as bad road conditions, and no public transport to Samathuvapuram. They need to travel a long way to the primary health center, a few people's pending last month's salary on Mahatma Gandhi Rural Employment Guarantee scheme, and saline drinking water at Pudukudi village. The Member of Parliament provided or acted through government officials over grievances other than the salinity problem of drinking water. Hereby, it seems the water crisis could be taken by a research institutional level to solve through research. Hence, it was decided to analyze the salinity of drinking water to derive some possible solution where it is feasible to study at the Biotechnology and Civil Engineering Department of PMIST. Hence Dr.A. Ashokkumar, who is an Associate Professor of Biotechnology and coordinator of the event addressed Madha Kovil Street people of Pudukudi to bring sample water from the bore point as well as the point at the storage tank. The collected water samples are stored at 4 °C at the Department of Biotechnology of PMIST for further test performances.

Programme No.	28	Title of the Event	Republic Day Celebration & Grama Sabha meeting, Achampatti.
Date	26.1.2024	Organized by	Department of Civil Engineering, Periyar Maniammai Institute of Science & Technology

OBJECTIVE OF THE PROGRAMME

- Gram Sabha was the forum for the people to discuss local governance and development, and make need-based plans for the village.
- All decisions of the Panchayat are taken through the Gram Sabha and no decision is official and valid without the consent of the Gram Sabha.

Grama Sabha is essential for the effective functioning of Village Panchayats by promoting transparency and accountability in administration, enhancing public participation in the planning and implementation of schemes and in the choice of beneficiaries, and paving the way for social audit.

A meeting was held on 26.01.2024 under chairmanship of Panchayat president to discuss on the subject of “Making Gram Sabhas Vibrant”. Representatives of overseer from public Departments, School Headmasters and PMIST staff members attended the meeting.

Mr. Kanagavalli Rajendran, President explained the various schemes for the achampatti village sanctioned by the government and read the resolution. He speaks about the future

Also, he explained the building space allotted for Government High School-achampatti

Mr.S. Rani, Vice president, concluded the gram Sabha meeting with the future of the achampatti village.

Mr. Kanagavalli Rajendran, Panchayat president to discuss on the subject of “Making Gram Sabhas Vibrant.”

Outcome of the programme

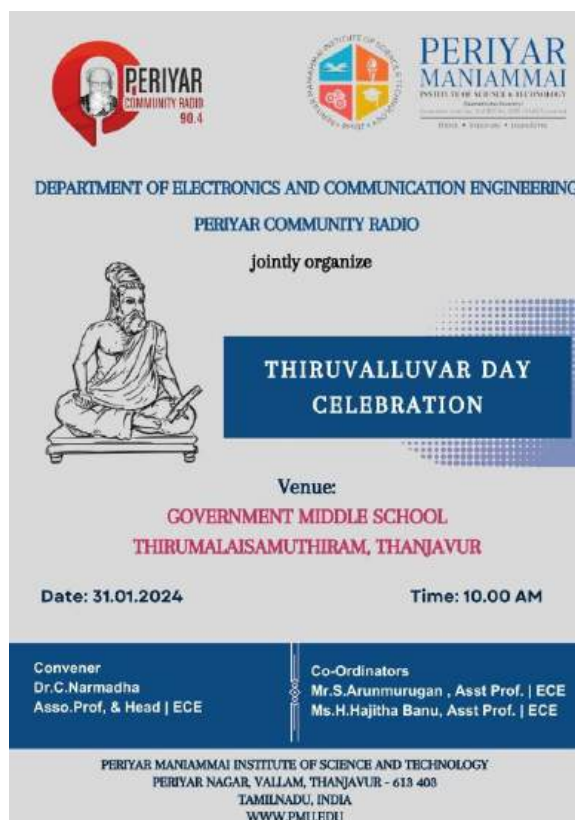

Achampatti village peoples are benefitted through this gram Sabha. The participants are got knowledge on schemes and known the important of the Mahatma Gandhi National Rural Employment guarantees 100 days of employment

Programme No.	30	Title of the Event	Zero Discrimination Day
Date	01.03.2024	Resource Person	Dr. Ramachandran, Vice Chancellor, Periyar Maniammai Institute of Science and Technology, Thanjavur

Objective of the programme: To create awareness about the importance of promoting equality, diversity, inclusion and to combat discrimination in all its forms. This programme aims to encourage students to create a society where everyone is treated with dignity regardless of their gender, age, disability and so on.

Details of the Programme: Aware the students about the discrimination in our society and they were encouraged to show their commitment to eliminating discrimination by signing a banner which is conducted on 1st March, 2024.

Briefing the scope of the event: Zero discrimination day, observed annually on 1st March, is a initiative aimed at promoting equality, fairness, and the elimination of discrimination in all forms. Hence to observe the zero-discrimination day, the department of Political Science, organized this programme. The event aims to engage the entire university students, faculties, and staffs by providing a platform to express support for diversity and inclusion. It fostering an inclusive and respectful campus environment, and active participation in creating a culture of equality. The event also seeks to educate participants on the importance of inclusion, tolerance, and social justice. The signature campaign on the banner serves as a visible commitment to combating all forms of discrimination. The vice-chancellor, the registrar and the faculty deans also express their commitment towards eliminating the discrimination.

National Women's Day and Annai Maniammai's 105th Birthday Celebrations

The Department of Electronics and Communication Engineering, in collaboration with the Center for Periyar Thoughts, successfully organized the National Women's Day and Annai Maniammai's 105th Birthday celebrations on **8th March 2024**.

The event was spearheaded by **Dr. C. Narmadha**, Associate Professor and Head of the Department of Electronics and Communication Engineering (HOD/ECE), who served as the organizer of the program. The team of coordinators, including **Mr. S. Arunmurugan**, Assistant Professor (AP/ECE); **Ms. Hemambujavalli S**, AP/ECE; **Ms. Hajitha Banu H**, AP/ECE; and **Ms. Priyanka B**, AP/ECE, ensured the smooth conduct of various events at multiple venues.

As part of the celebrations, several activities were conducted under the aegis of **Tamil Mandram**, **Writers & Debaters Society**, and Inter-Collegiate Competitions. The events included:

- **Speech Competitions**
- **Essay Writing Competitions**

These activities engaged participants from various institutions, showcasing their talents and contributing to the vibrant and intellectual atmosphere of the celebration. The event was a grand success, leaving a lasting impression on the participants and attendees.

**Felicitation Ceremony for Women Achievers and Poetry Gathering at PMIST
On March 8, 2024,**

Periyar Maniammai Institute of Science and Technology (PMIST) celebrated **Annai Maniammai's 105th Birthday** and **International Women's Day** with grandeur. Six outstanding women achievers were honored during the commemorative ceremony, recognizing their exemplary contributions to various fields.

The event also featured a **poetry gathering** led by **Dr. S. Senthamil Kumar**, Professor of Civil Engineering, which took place at **Einstein Hall**. The session witnessed enthusiastic participation from over **100 students and teachers**, showcasing their literary talents and celebrating the spirit of women empowerment.

Date: 08.03.2024
Venue: Valluvar Hall

A thought-provoking debate was conducted at Valluvar Hall on 8th March 2024, under the judicious supervision of **Dr. A. Muthamilselvan**, Associate Professor/CSA, who served as the Judge. The event brought together an enthusiastic audience of over a hundred students and teachers, creating a vibrant platform for intellectual discourse.

The participants engaged in spirited discussions on significant and impactful topics:

1. **"Periyarin Peruvituppam"** – Exploring the greatness of Periyar's ideologies.
2. **"Jathi Olipa"** – Deliberating on the eradication of caste.
3. **"Pen Viduthaliya"** – Advocating for women's liberation.
4. **"Kalvi Valarchiya"** – Analyzing the growth of education.

Programme No.	32	Topic of the Programme	Observance of World Social Work Day - 2024
Date	08.03.2024	Organized by	Department of Social Works, Periyar Maniammai Institute of Science & Technology

Objectives of the Programme

1. To observe World Social Work Day event students of Raja's College
2. To promote holistic mental health and well-being among participants

Activity of the programme

The Department of Social Work, PMIST, in collaboration with SEED Trust, Ayyampettai, Thanjavur, organized an awareness programme on "Nurturing Mental Well-being for Good Living" on 13th March 2024 at Raja's College of Sanskrit and Tamil Studies, Thiruvaiyaru, Thanjavur.

This initiative aimed to promote holistic mental health and well-being among participants by creating awareness about the importance of mental well-being in achieving a good quality of life. The program was designed to empower individuals to take proactive steps to enhance their mental health, providing them with insights and practical strategies to address mental health challenges effectively. The event witnessed enthusiastic participation from students, faculty, and community members, who actively engaged in discussions and interactive sessions. Expert speakers from the fields of psychology and social work emphasized the significance of nurturing mental health through mindfulness, stress management, and emotional resilience. Feedback from the participants indicated a positive reception of the program's objectives and its potential to inspire meaningful change in their lives. This awareness program marked another milestone in the Department's ongoing efforts to address critical social issues and contribute to the holistic development of society.

Dr.S.Parameswaran, Head, Department of Social Work delivered the introductory speech

Sr. S. Mary Dayana, Research Scholar, Department of Social Work, PMIST, delivered the keynote address.

Programme No.	33	Topic of the Programme	Women's Day Celebration 2024
Date	11.03.2024	Organized by	Department of Architecture, Periyar Maniammai Institute of Science & Technology

Venue:	Le Corbusier Hall, Department of Architecture. PMIST
No. of Participants:	92
Description of the Program:	The Institution Innovation Council and Department of Architecture marked Women's Day on March 11, 2024, at Le Corbusier Hall. Ms. Joan J, a seasoned consultant, trainer, and researcher with extensive experience teaching HR/OB in leading business schools, delivered an enlightening lecture on 'Stress Management & Positive Living'. The youthful entrepreneur speaker recounted her personal journey and offered strategies for coping with stress while emphasizing the importance of maintaining a positive mindset. Students were encouraged to adopt the analogy of a coffee bean, understanding its ability to influence the flavour and aroma of the substance it mixes with. The session was greatly appreciated by the students. Ar.S.Suganthi, IIC dept. ic, coordinated the event.

Programme No.	35	Topic of the Programme	International Day of Forests 2024
Date	21/03/24	Organized by	Department of Biotechnology, Centre for Energy and Environment, Periyar Maniammai Institute of Science & Technology

PROGRAMME REPORT

Periyar Maniammai Institute of Science and Technology and Tamil Nadu Forest Department, Thanjavur jointly celebrated the International Forest Day on March 21, 2024, at PMIST on the theme 'Forests and Innovations – New solution for a better world'. This event was jointly organized by the Department of Biotechnology and Centre for Energy and Environment.

A total of around 277 participants attended the programme. As part of this, a Photo Gallery was exhibited with the collection of pictures including birds and plants. The selection process involved a careful review of the paintings by a judge, considering the concept and understanding the theme, colouring and presentation. The judge recognized Mr. Logeshwara Rao's painting as the best one.

Special thanks to the students and faculty of Department of Biotechnology for their contributions to the success of this event.

Chief Guest: Er. M. Sekar, Retired Executive Engineer, PWD Thanjavur

Event Summary:

World Water Day 2024 was celebrated with great enthusiasm at PMIST on 28th March 2024, under the theme "Accelerating Change Through Partnerships and Cooperation." The event was a collaborative effort by the Centre for Energy and Environment (CEE), the Department of Civil Engineering, and the Institution of Engineers India, Thanjavur Local Chapter.

The chief guest, Er. M. Sekar, a Retired Executive Engineer from the Public Works Department (PWD), Thanjavur, shared his extensive experiences in water-related public works. His insights provided the students with a deeper understanding of practical challenges and innovative solutions in water resource management. His address emphasized the importance of sustainable water practices in achieving long-term societal benefits.

The event witnessed the participation of 60 students from the Civil Engineering Department. Dr. V. A. Shanmugavelu, Professor of Civil Engineering, and Mr. D. Keerthivasan, Director i/c of the Centre for Energy and Environment, coordinated the program effectively. Their efforts ensured the smooth execution of the event while engaging the audience in meaningful discussions.

The event was graced by the presence of Dr. D. Thayalnayaki, Head of the Civil Engineering Department, and Dr. S. Senthamizhkumar, Dean of the Faculty of Engineering and Technology, who provided their valuable support and guidance.

Mapping the Event with Sustainable Development Goals (SDGs):

The World Water Day celebration directly aligns with several United Nations Sustainable Development Goals (SDGs):

1. **SDG 6: Clean Water and Sanitation**

The event emphasized the importance of sustainable water management practices, promoting awareness about water conservation and the equitable distribution of water resources.

2. **SDG 11: Sustainable Cities and Communities**

Discussions highlighted the role of water infrastructure in building resilient and sustainable urban and rural communities.

3. **SDG 13: Climate Action**

The event addressed the impacts of climate change on water resources and the need for adaptive strategies to mitigate risks.

4. **SDG 17: Partnerships for the Goals**

By bringing together academia, professionals, and students, the event fostered partnerships and cooperation to achieve water-related goals.

World Water Day 2024 at PMIST successfully raised awareness among students about the critical importance of water conservation and sustainable management. The engagement of experienced professionals like Er. M. Sekar and the active participation of students reflected the commitment to addressing water challenges and advancing SDGs. Such events continue to inspire future engineers to contribute meaningfully to building a sustainable future.

Director i/c – CEE

Programme No.	37	Topic of the Programme	WORLD BOOK AND COPYRIGHT DAY – 2024
Date	12/04/24	Organized by	Arjun Singh Library & Department of Education, Periyar Maniammai Institute of Science & Technology

Place: Arjun Singh Library, PMIST

Date: 12.04.2024

Time: 10:00 am

PROGRAMME SCHEDULE

Mozhi Vazhthu

Welcome Address : **Ms. G. Divya**
3rd year B.Sc.B. Ed
Department of Education,
PMIST, Vallam

Inauguration of Mega Book Donation Drive : **Dr. V. Ramachandran**
Hon'ble Vice Chancellor
PMIST, Vallam

Book Reading Pledge : **Ms. S. Riyasen**
1st year B. Ed
Department of Education,
PMIST, Vallam

Donation of Books Receiving : **Dr. P. VIJAYALAKSHMI**
Dean i/c FHSM
PMIST, Vallam

Vote of Thanks : **Ms. M. Ishwarya**
2nd year B.Sc.B. Ed
Department of Education,
PMIST, Vallam.

World Book & Copyright Day -2024

Arjun Singh Library and Department of Education in Periyar

Maniammai Institute of Science and Technology organized a Mega book donation drive ceremony on the occasion of World Book and Copyright Day. Hon'ble Vice-Chancellor Dr.V.Ramachandran inaugurated the book donation drive event. Deans, Heads of the Departments, Professors, and students participated in the event. In his opening speech, the Vice-Chancellor highlighted the importance of books written by M. Varadarajan, which his mother gave him when he was studying in the eighth standard the Books entitled "Karithundu and Akal Vilaku", he explained the importance of reading books to the students by saying that since then till now, he has followed the habit of reading from the book. Also, a book reading pledge was taken on the occasion. Various Department Professors and students donated the books. The book donation drive will continue from 12.04.2024 to 24.4.2024. These books are planned to be provided to government school libraries. The event was well organized to encourage the habit of reading among the students and to make them aware of the importance of reading books.
