EVENT REPORT

The Association of Biotechnology Researchers and Innovators Consortium (BRIC) under the Department of Biotechnology, in association with the Institution’s Innovation Council organized a Seminar on the “World Cancer Day 2023 – Close the care gap” on 06 February, 2023. The workshop was organized to create an awareness on Cancer and the related issues.

Keynote Speakers:

Dr.P.Muniasamy, Surgical Oncologist, Thanjavur Medical College

His speech enlightened the participants and was highly informative. He shared significant information on the various risk factors and reasons for cancer, the ways to overcome it and he also shared some of the dietary plans to prevent the onset of cancer. He also quoted some live examples for it.

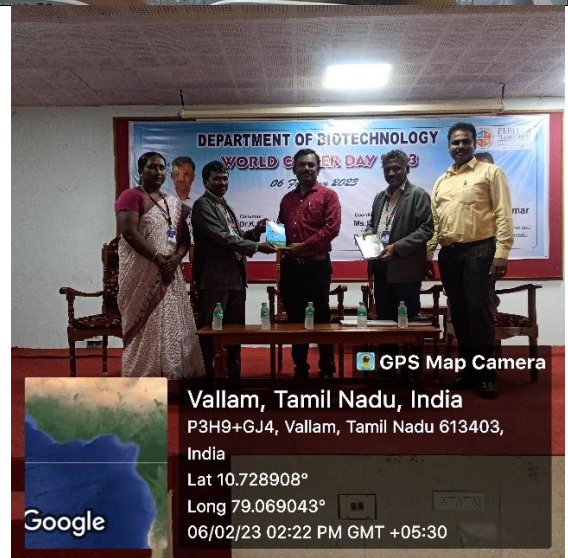

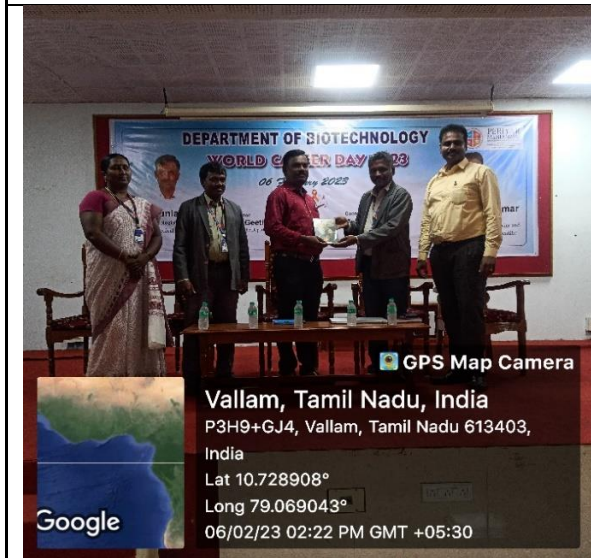

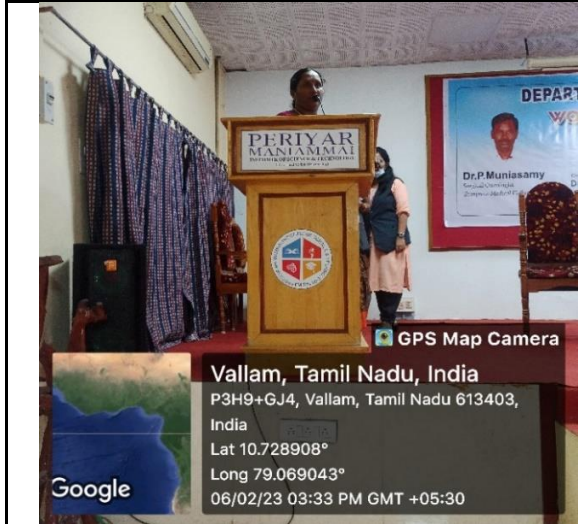

Dr.Balakumar Pitchai, Director, Centre for Scholarly Scientific Training and Publishing, PMIST

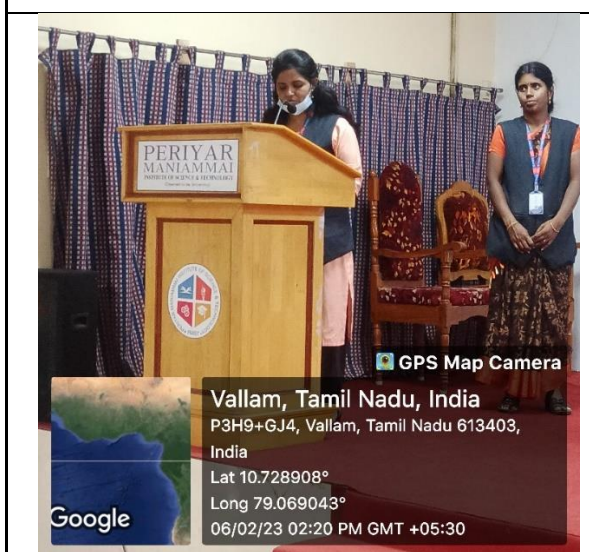

He gave valuable insight on the food habits of current generation children and youth and how these affects the health. He also shared some valuable points on the pharmacological aspects related to cancer.

Dr.S.Senthamil Kumar, Dean, Faculty of Engineering and Technology, PMIST

He shared some information on real examples of cancer patients, which was very much beneficial. He also expressed concern on the need for advanced research in the field of cancer.

The staff members and the students from the Department of Biotechnology and the Department of Civil Engineering participated in the event and utilized the opportunity. It was highly beneficial to all of us.

Report of the Event

The program on Basic of bio enzyme (Ecoenzyme) is planned to conduct on the occasion of World Bio-enzyme day (4th January) .Mrs Priti Rao , Founder of soil and soul foundation and Bio enzyme Entrepreneurs academy gave a detail note of Bio enzyme and its application over various environmental issue . She stated that as responsible citizens of the planet, we strive to bring out chemical-free alternatives to the masses and it should be a sustainable products made from quality ingredients should be available to everyone. She told bio enzymes have gained a lot of popularity in the recent years as they are organic cleaning solutions that are produced by the fermentation of fruits and vegetable peels, jaggery and water in a ratio 3:1:10.

Bioenzyme have been reported to have applications as cleanser, deodoriser, insect repellent, soil conditioner, pesticide and fertilizer etc. with suitable examples. Biotechnology students 2nd and 3rd year from PMIST as well as faculty membranes are benefitted. Total 52 Participants were participated from PMIST including students and faculty. Dr.K.Geetha Asst.Professor & HOD organized the program where Dr.C.Arun and Ms.S.Keerthana Asst.Prof Coordinated the webinar.

Date	14.10.2022
Mode of conduct	Offline
Number of Participants	70

Report of the Event:

The department of Biotechnology organized the seminar on the title “Seminar on food technology”. Mr. P. Franklin Nobel, production manager, Tulya food products, pvt. ltd. was the chief guest He had pictorially explained all the processing machineries which helped the students to understand the concept properly. The Event was coordinated by Ms. S. Keerthana AP/biotechnology and Dr. V. Sivaranjani AP/Biotechnology.

Mr. P. Franklin Nobel, explaining the process techniques to the students
