## ESTABLISHMENT

The Department of Computer Science and Applications was started in the year 1994 with MCA programme. Later, M.Phil. and Ph.D. programmes were started in the year 2008.

BCA programme was started in the 2013. So far 23 batches of MCA and 4 batches of BCA have passed out. The department has dedicated and competent faculty. The department has the state of Art computer infrastructure with latest software.

## PROGRAMME OVERVIEW

**Bachelor in Computer Application (BCA)** is an undergraduate degree course in computer applications. The duration of the course is 3 years with 6

semesters. This programme covers the courses like programming, database, networking, data structure, mathematics, management and societal requirement.

**Master of Computer Applications (MCA)** is a post graduate degree in computer applications. It is a 2 year programme with 4 semesters and fourth semester is allotted for main project. MCA is approved by AICTE.

**Ph.D (Computer Science and Applications)** is offered as Full Time/Part Time programme.

## SCOPE OF THE DEPARTMENT

The Indian IT industry witnesses a rapid growth and therefore there is a great opportunity for the computer graduates, the curriculum of the programmes is designed to meet the current needs of the industry. The department provides ICT enabled teaching. Final year MCA students are allowed to do their main projects in reputed private and Government organizations. Industrial Visits and Local Visit are mandatory in the curriculum. Staff members offer teaching with passion and

commitment. Students are continuously encouraged and supported to participate in co-curricular and extra-curricular programmes.

## BEST PRACTICES

- Regularly conduct Value Added Courses to make the students employable
- Provide proper and required training for the placement
- Encourage and motivate the students to participate seminars, workshops and conferences

## PROMINENT ALUMNI TESTIMONIAL

**Bharkavi V.**  
(2016-2019)

Tester-VHA Project,  
TCS, Chennai

I appreciate the Institute for the placement opportunities given to us. I can say this is the right place learn a lot for life too.

**Valli B.**  
(2016-2019)

Transaction Processing  
Associate,  
Accenture, Chennai

It is the place to learn, fun, cultural values, human values and many more. Really I have enjoyed the period that I have been at PMIST.

**T. Radhakrishnan**  
(2012-2015)

SAP Consultant,  
Australia

Apart from the industry required curriculum and syllabus, the Institution provide us industry required technical courses. This type of technical knowledge enhancement helped us to employable globally.

**Gayathri A**  
(2016-2019)

Client Operation Process Associate,  
Accenture, Chennai

The plenty of resources like, library, systems, peers, fellow seniors made me employable. I am proud to be an alumnus of PMIST.

**Vishali V**  
(2016-2019)

Bankzone Pvt Ltd  
Chennai

The staff members carved us to improve academic, technical, communicational skills through the well designed curriculum.
