## 2<sup>nd</sup> International Conference on **Perspectives and Challenges in Integrated Teacher Education**

17<sup>th</sup> & 18<sup>th</sup> March 2020

Organized by

**Department of Education**  
Periyar Maniammai Institute of  
Science & Technology (PMIST)  
(Deemed to be University)

Periyar Nagar, Vallam,  
Thanjavur – 613403

[www.pmu.edu](http://www.pmu.edu)

## About the University

Periyar Maniammai Institute of Science & Technology (PMIST), a deemed to be university, has its origin from Periyar Maniammai College of Technology for Women established during 1988, by Periyar Maniammai Educational and Charitable Society, Chennai-7. Named after the great social reformers of the twentieth century, E.V.Ramasamy, fondly known as Thanthai Periyar and his philanthropic wife Annai Maniammaiar. Earlier Periyar Maniammai College of Technology for Women (PMCTW) has its credit of being the first Women's Engineering College in the world. The primary objective of the institution is to provide increased access to higher education in Science and Technology and encouraging the active participation of students in social, national and global developments.

## Department of Education

Established in 2009 with the objectives of enhancing the professional competencies and skills for serving as teachers in Elementary, Secondary and Senior Secondary Schools. The Department offers B.Ed. Programme and four year integrated B.Sc.B.Ed. programme from 2015.

## About the Conference

Integrated Teacher Education (ITE) is the latest innovation in the field of pre-service teacher education. It brings out various qualities of multi disciplinary learning in teacher education. It augments the knowledge and skills among the prospective teachers. The emerging features of ICT provide opportunities to extend ITE at the global level. So it is felt and a need to provide a conducive environment to share and exchange innovative ideas and pedagogical approaches related to ITE.

## Conference Title

**“Perspectives and Challenges in Integrated Teacher Education”**

## Conference Theme

The main theme of this conference is to discuss and bring out the real scenario of the Perspectives and Challenges in Integrated Teacher Education.

## Conference Objectives

The main objectives of the conference is to provide a platform:

- To incubate professionally developed teacher educators to implement the Integrated Teacher Education (ITE) at global level.
- To augment innovations in curriculum, multi disciplinary approaches and professional development of ITE.
- To impart quality Integrated Teacher Education with strong emphasis on professional ethics and social commitment.
- To identify the gaps in the current research about ITE.
- To explore the impact of ICT in ITE.
- To find the new role of ITE with focus on gender and differently abled persons.
- To internationalize the ITE through knowledge exchange programmes.

## Sub themes

- The changing role of teacher educators in Integrated Teacher Education (ITE).
- Emerging professional development in ITE.
- Innovative Teaching Methods and strategies in ITE.
- Emerging curriculum in ITE.
- Emerging evaluation techniques in ITE.
- Research in ITE and implication.
- Multi Disciplinary approaches in ITE.
- Integrated teacher education and developing emerging media.
- ICT in Integrated Teacher Education (ITE).
- Emerging educational policies in ITE.
- Role of society and ITE.
- Challenges in implementing ITE.
