## ABOUT PMIST

Periyar Maniammai Institute of Science & Technology is proud to be a unique Institution of higher learning and academic excellence. In an endeavor to fulfil the dreams of our Mentor Thanthai Periyar and Annai Maniammayiar, the Institution is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of caliber and by personal attention, and modern teaching methodology towards a product/process/demo/case study teaching, they are shaped into career oriented professionals with bright future. The institution is making efforts to create new horizons in the arena of technical education and research. Curriculum innovation is given priority by the Institution to make the courses industry and research oriented. The dedicated and qualified faculty members routinely teach and practice for outcome based learning which leads towards an excellent academic career for the betterment of the students.

## ABOUT DEPARTMENT OF COMMERCE

Real-world experiences are at the heart of commerce department. Under the Faculty of Humanities Sciences and Management (FHSM) the Department of Commerce is offering the following programmes:

- B.Com.
- B.Com. (Hons.)
- B.Com. (Corporate Secretaryship)
- M.Com.
- Ph.D in Commerce

The programmes with efficient faculty guiding students at every aspect of their course, motivating to pursue professional courses like CA, CS and CMA directing the students to prepare for foundation course while doing undergraduation itself.

## OBJECTIVE OF THE FDP

The key objective of this FDP is to enable the participants to enhance their teaching skills and make them aware of modern teaching tools and methodologies, acquire knowledge about current technological development in relevant fields. This FDP also focuses on professional practices relevant to technical education with a competitive teaching and learning environment. The core skills of micro-teaching such as presentation and reinforcement skills help the teachers to adopt a virtual teaching environment. The impact of such technique will be widely used in various forms of education.
