ABOUT PMIST

Periyar Maniammai Institute of Science & Technology is proud to be a unique institution of higher learning and academic excellence. In an endeavour to fulfil the dreams of our Mentor Thanthai Periyar and Annai Maniammayar, the Institution is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of calibre and by personal attention, and modern teaching methodology towards a Product / Process / Demo / Case Study teaching, they are shaped into career oriented professionals with bright future. The Institution is making efforts to create new horizons in the arena of higher education and research. Curriculum innovation is given priority by the Institution to make the courses industry and research oriented. The dedicated and qualified faculty members routinely preach and practice for outcome based learning which leads towards an excellent academic career for the betterment of the students.

ABOUT THE DEPARTMENT

Department of commerce is functioning from the year 2013.

Programs offered

- B.Com (Hons.)
- B.Com.
- B.Com. Corporate Secretaryship
- B.Com. Computer Applications

The scholarly faculty team of the Department of Commerce guides students at every step, motivating them to pursue professional courses and prepare for the CPT exam during their study period to become worthy managers and administrators in many fields. They engage in various forums to constantly upgrade their own skills and to ensure the students are well prepared to succeed. We provide value added courses, Internship training to the students to enhance their skills during the academic period.

ABOUT THE CONFERENCE

Today's business has become digital worldwide. The Indian economy has a place of its own in the digital world. Every transaction of business is facilitated digitally. The digital economy has become a key feature of Indian telecommunications. The digital transformation of business involves not only the digital methods but also its evolution and reveals the vital impact of the business. So this conference will no doubt be a precursor to it and a great platform to share clear ideas about it.
