

## FACULTY PROFILE

Name : **Mr. C. SANKAR**  
Designation : Assistant Professor / NSS  
Coordinator  
Department : Civil Engineering  
Educational : (Ph.D.) Remote Sensing  
Qualification : M.Tech. Remote Sensing  
M.Sc Applied Geology  
Subject of Interest : Remote Sensing & GIS  
Modern Surveying  
Marine Geology

Publications : : C. Sankar, S.Senthamilkumar and C. Lakshumanan, Classification and specification of lineaments using GIS and remote sensing techniques for western cauvery delta, Thanjavur and Thiruvarur districts, Tamil Nadu, India. Advances in Applied Science Research6(12):76-84, ISSN: 0976-8610 CODEN (USA): AASRFC. 2015.

C. Sankar, S.Senthamilkumar and C. Lakshumanan, Geological, geomorphological and geotechnical investigation for orathanadulock using GIS and Remote sensing techniques, Thanjavur district Tamil nadu. Scholars Research Library, Arch. Appl. Sci. Res., volume 8 (1):20-29, ISSN 0975-508X CODEN (USA) AASRC9. 2016.

C. Sankar, S. Senthamilkumar and C. Lakshumanan, Surface and sub surface soil mapping using geological and geotechnical investigation for western cauvery delta, Thanjavur and Thiruvarur districts, Tamil nadu, India' Journal of Applied Geology and Geophysics (IOSR-JAGG) Volume 4, Issue 1.e- ISSN: 2321-0990, p-ISSN: 2321-0982. 2016

Awards and : Best NSS Programme officer award.

Achievements : National Young Leader Award.
