Key Indicator	1.3	Curriculum Enrichment
Metric	1.3.4	Percentage of students undertaking field projects / research projects / internships (Data for the latest completed academic year)

### **B.TECH. BIOTECHNOLOGY**

S.No	Description			
1.	List of students undertaking the field projects/ research projects / internship program-wise in the last completed academic year along with the details of title place of work etc.			
2.	•Internship / research projects completion certificate from the organization where internship / research projects was completed along with the duration.  and • Report of the field visit / sample photographs of the field visit / permission letter from the competent authority will be considered

# TO WHOM-SO-EVER IT MAY CONCERN

Ms. Priyanka Sainath (117011001641), a student of PMIST, Periyar Maniammai Institute of science and Technology, Thanjavur-613403, Tamilhadu has successfully completed her internship from 18th January 2021, to 5th June 2021.

During her internship, Ms. Priyanka was found to be Hard-Working and Enthusiastic to Learn. Our's being a PMC based firm, handling owerall project involving Architecture, Interiors and Landscaping of the project from inception to completion, the accountability and responsibility towards in-time deliverance of designs and details is remarkably high with drawing details and site interaction paced-up which, Ms. Priyanka managed to progressively, learn, understand and worked along, in-sync with the team. No as team after required details as districted by the Principal Designer and the team. As a team performer, she seemed a good contributor, especially during presentations for major projects.

During her four month tenure of internship, Ms. Priyanka worked – on various Drawing Details of working drawings of Electrical, Plumbing layout for bathrooms. Sectional Elevations, Area wise Internal Vall elevations and False-ceiling details while generating 30 views for Interior projects and for presentation purpose as well based on the designs shared by the Principal Designer.

The opportunity given to her to interact and be part of both Large scaled and Prestigious Landscape Projects of National importance to Residential and Villa projects was well utilized by her and has been productive in her performance.

The list of projects are as stated in her work portfolio.

All through her internship, her performance has been progressively good. Over time and experience, Ms Priyanka could perform well in any design firm she associated with.

Wishing Ms.Priyanka, The Very Best for a Bright and Successful Career.
