Report of the Event <p>Department of Computer Science and Engineering, Periyar Maniammai Institute of Science and Technology, Thanjavur, organized a Gender Sensitization Programme in the Topic of Gender Equality. The objective of this program was to acclimatize the students to Equal career opportunities for women and men. Fair distribution of unpaid and paid work among women and men, wages and salaries that women and men can live on independently. Equality of women and men with regard to political representation and participation. Gender equality is when people of all genders have equal rights, responsibilities and opportunities. Everyone is affected by gender inequality - women, men, trans and gender diverse people, children and families. Societies that value women and men as equal are safer and healthier. Gender equality is a human right.</p>

Report of the Event

The Department of Social Work, PMIST and Voluntary Association for People Service (VAPS), Madurai jointly organised awareness programme on 'Health and Immunity' for the Entrepreneurship Development Institute (EDI) Project Training Women of Trichy District. The Special Address was given by Mr.B.Karthikeyan ,EDII-Project officer, VAPS on the need for Health care and to boost the immunity to fight the Covid-19. He emphasized the EDI women to follow the Covid19 protocols strictly at home and also outside. Mr.M.Selvapandiyan and J.Rani , Project Coordinators of VAPS also added that women have more concern with taking care of their family both in health aspects and in providing the healthy food to increase the immunity. However they forget to have a personal check over their health hence they guided them to keep themselves cautious on their personal health too. In this event 30 EDI project women participated and benefited.

Department of Software Engineering has organized a Webinar on “Health & Hygiene in Pandemic Crisis” on 27.08.2021 through Google Meet. The COVID-19 pandemic has an equal impact on all countries. We've seen a significant increase in the number of cases. Most have been confirmed as of today. Following the emergence of the COVID-19 pandemic, governments across the world rushed to implement social-distancing, quarantine, and isolation measures. These actions, while necessary, can have a substantial impact on the mental health of young people. The aim of the webinar is to bring together all the stakeholders in the same platform to analyze and reflect the lesson learnt so far and integrating knowledge to understand the different aspects of COVID-19 at national and international levels. The COVID-19 pandemic makes one wonder of whether or not humanity is prepared to deal with a crisis like the one that is currently unfolding. Dr.M.Aditya, District Program Officer Vellore District, shared knowledge of action plans, protocols, and guidelines with students in his keynote address.
