Date	25.09.2015 & 26.09.2015
Venue	Valluvar Hall
No. of Participants	97
Resource Person / Agency / Consultant	Er.S.Rajendran, Adiparasakthi Associates, Kedarapuram, Medical College Road, Thanjavur - 6

Prof.N. Ramachandran. Vice Chancellor, PMU delivering the Inaugural address

SPONSORSHIP CERTIFICATE

Mr./ Mr/ Dr..... is an employee of this Institution / organization and he / she is hereby sponsored for the above Programme and that applicant will be permitted to attend the Workshop on "Cost Estimation and Valuation " to be organized during 25-26, September 2015 at Periyar Maniammai University, Vallam.

Place :

Date :

Signature of Sponsoring Authority with date and seal

REGISTRATION DETAILS

Registration fee:-
Staff Rs. 750/-
Student Rs. 600/-

Registration fee (non refundable) includes admission to the programme, refreshments, working lunch and kit with course material (CD).

BOARDING AND LODGING

Boarding and lodging facilities will be provided for the selected participants in the student hostel of the university on the basis of payment.

DATES TO REMEMBER

- Last date for submission of application : 17.08.2015
- Intimation of acceptance : 18.08.2015
- Confirmation of participation from the selected candidates : 21.08.2015

SELECTION

The number of participants for the programme is restricted to 50. The candidates will be selected on First-Come-First-Served basis.

Duly completed application form should be sent to:

Prof. Dr. S.SENTHAMIL KUMAR
Professor & Head
Dept of Civil Engineering
Periyar Maniammai University,
Vallam, Thanjavur- 613 403, Tamilnadu, India.
Tel: 04362- 264600, Fax: 04362- 264660
Mo.No.9944495693;
Email: kumar@pmu.edu

HOW TO APPLY

Interested participants have to submit their application through proper channel to the Co-Coordinator(s).

**PERIYAR
MANIAMMAI

INTRODUCTION

In simple work estimation is the process which enables us to determine the cost, quantity, tools, plans and labour which are needed to complete the project within the schedule. Before taking up any work Estimators should have a thorough idea of works and cost. Without this knowledge it will be too risky to take up any work. Estimating and costing deal with this problem and give us a detailed idea of work and cost.

An estimate is necessary to give the owner a reasonably accurate idea of the cost to help him to decide whether the work can be undertaken as proposed or needs to be modified or abandoned, depending upon the availability of funds and prospective direct and indirect benefits. For government works proper sanction has to be obtained for allocating the required amount. Works are often let out on a lump sum basis, in which case the Estimator must be in a position to know exactly how much expenditure he is going to incur on them.

Valuation means fixation of cost or return expected of a building, engineering structure project (Govt. or private), at present days rates. The value of a structure may be more or less depending upon the present utility of a structure.

ABOUT THE UNIVERSITY

Periyar Maniammai University has its origin in Periyar Maniammai College of Technology for Women established in the year 1988 as an exclusive engineering college for women in Vallam, Thanjavur, Tamil Nadu by Periyar Maniammai Educational and Charitable Society, Chennai-600 007. Named after the great social reformer of the twentieth century, Thanthai Periyar and Anna Maniamammal.

The Periyar Maniammai College of Technology for Women had the distinction of being the first women's engineering college in the world. The primary focus was on mainstreaming the lofty ideals of Periyar to pave the way for women's emancipation by providing them increased access to higher education in Science and Technology and encouraging their participation in social, national / global development. The College was started with the approval of Government of Tamil Nadu and All India Council for Technical Education, New Delhi and affiliation to Bharathidasan University, Tiruchirappalli, T.N.

Later, it started functioning under the affiliation to Anna University, Chennai from 2001. The College has made several land mark achievements continuously since inception in the field of Technical Education, and in the areas of Women Empowerment and Social Development. In addition to the under-graduate, post-graduate and doctoral programmes in literature, science, engineering, architecture and technology, it has rendered a dynamic service in providing health care, hygiene and technology inputs to rural people for their social and economic well-being.

Considering its academic excellence in teaching, research, extension and socially relevant projects and programs, the Government of India / MHRD has conferred the Status of University to the College under section 3 of the UGC Act, 1956 on the recommendation of the UGC, New Delhi, on 17 August, 2007. The university has been accredited by National Accreditation and Assessment Committee (NAAC) of UGC, New Delhi during 2008.

The Civil Engineering Department has been accredited by National Board of Accreditation (NBA) of AICTE, New Delhi in the fourth phase during 2009. This department offers Undergraduate Programme in Civil Engineering and Post Graduate programmes in Environmental Engineering and Construction Engineering and Management.

Clear Thanjavur Project - Thanjavur Municipal Solid waste Management project is being undertaken by Thanjavur Municipality with the technical know how of WAF of Netherland and Aachen University of Germany. Periyar Maniammai University is coordinating this project and the Civil Engineering Department is the Nodal Department to carry out this project.

OBJECTIVES

The aim of this workshop is:

- To know about how to calculate the Quantity of man, material, machinery and money (4M) required for a project.
- The requirements for rate analysis of a project.
- To know about 'Tender and Contract' procedures.
- Need and methods of Valuation.
- Necessity for Real estate procedures.

RESOURCE PERSONS

Resource persons are Practical Engineers, having more than 30 years experience from Private and Govt sectors.

Co-Coordinator(s):

ABOUT PERIYAR R&D CENTRE FOR SOLAR AND BIO ENERGIES

Objectives:

- Inter-disciplinary research to develop novel technologies addressing clean energy and environment.
- Technology transfer to community & industries.
- Developing cost effective energy packages.
- Training on cutting edge technologies in solar and bio energy.

ABOUT PMU

Periyar Maniammai University is proud to be a unique institution of higher learning and academic excellence. In an endeavor to fulfil the dreams of our Mentor Thandai Periyar and Aiyar Maniammayar, The University is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of caliber and by personal attention, and modern teaching methodology towards a Product / Process / Demo / Case Study teaching. They are shaped into career oriented professionals with bright future.
