

INITIATIVES ON AWARENESS OF TRENDS IN TECHNOLOGY 2017 -18

**Initiatives on Awareness of Trends in Technology
(2017-18)**

Prog. No.	Name of the Capacity Development and Skills Enhancement Scheme	Date of implementation	Number of Students Enrolled
1.	Guest Lecture on "Web Services"	07.07.2017	40
2.	SYNERGEE- Expert Lecture on “Scope for Electrical Engineers” & “Opportunities after Graduation”	12.07.2017	85
3.	Guest Lecture on "Software Design and Development"	14.07.2017	50
4.	Seminar on “Embedded Systems / IoT & Data Analytics”	20.07.2017	85
5.	Workshop on EduSAT a Medium for Science, Communication and Career in Satellite Industry	28.07.2017	48
6.	Seminar on “Mobile Communication"	07.08.2017	24
7.	Two-day Workshop on “Embedded Systems / IoT and Data Analytics"	08.08.2017 & 09.08.2017	40
8.	Guest lecture on “Multirate Signal Processing"	07.09.2017	27
9.	Symposium “MECHTRIX 2K17”	06.10.2017	101
10.	Workshop on “Programming in PIC Microcontroller”	11.10.2017	85
11.	Seminar on "Web Design and Android Apps"	13.10.2017	36
12.	Open House 2017	24.10.2017	376

13.	Two Day National Level Seminar on “Innovative Approaches towards Solid Waste Management”	22.12.2017 & 23.12.2017	75
14.	Guest Lecture on “Wetlands Bhopal Gas Tragedy IPR Ornithology”	02.02.2018	28
15.	Guest lecture on “Tall Structures”	07.02.2018	68
16.	National Level Technical Symposium – TREADS’18	08.03.2018	148
17.	Workshop on “Professional Skill Development”	09.03.2018	38
18.	Guest lecture on “Latest Trends in Top Down Construction”	27.06.2018	192

Name of the Department	Department of Civil Engineering
Name of the Programme	Two Day National Level Seminar on “Innovative Approaches towards Solid Waste Management”
Date	22.12.2017 & 23.12.2017
Venue	Valluvar Hall
No. of Participants	75
Resource Person / Agency/ Consultant	Er.N.T.Balasundaram, Chairperson, Institute of Engineers, Thanjavur
 	
Er. N.T. Balasundaram, Chairperson, Institute of Engineers, Thanjavur addressing during the Seminar on Innovative Approaches towards Solid Waste Management.	

FINANCIAL ASSISTANCE

Registration fee

Faculty / Research Scholar : Rs.500/-

Student : Rs.500/-

Industry : Rs.750/-

Registration fee (non-refundable) includes admission to the programme, refreshments, working lunch and kit with course materials (CD).

BOARDING AND LODGING

Boarding and lodging facilities will be provided for the selected participants in the student hostel and guesthouse of the Institute with minimum cost.

DATES TO REMEMBER

Last date for submission of paper : 17.12.2017

Intimation of acceptance : 18.12.2017

Confirmation of participation from the selected candidate : 20.12.2017

NATIONAL ADVISORY COMMITTEE

Chairman : Mr N B Vasaya, FIE, President, IEI

The Institution of Engineers (India)

37 years of scientific journey towards Engineering Advancement for Nation Building

All India Seminar

Innovative Approaches towards Solid Waste Management

22nd & 23rd December 2017

Venue: Periyar Maniammai Institute of Science & Technology, Vallam
Organized by

The Institution of Engineers (India)
Thanjavur Local Centre
Under the Aegis of

Environmental Engineering Division Board, IEI

In association with

Department of Civil Engineering & Centre for Climate Change

PERIYAR MANIAMMAI
INSTITUTE OF SCIENCE & TECHNOLOGY
Vallam, Thanjavur, Tamil Nadu
Established in 1982 under the Government of India
Approved by AICTE, New Delhi

The Institution of Engineers (India)

The Institution of Engineers (India) or IEI is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and gives engineers a global platform from which to share professional interest. IEI has membership strength of more than 0.7 million. Established in 1920, with its headquarters at 8, Gokhale Road, Kolkata - 700020, IEI has served the engineering fraternity for over nine decades. In this period of time it has been inextricably linked with the history of modern-day engineering.

In 1935, IEI was incorporated by Royal Charter and remains the only professional body in India to be accorded this honour. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organization across the globe. IEI functions among professional engineers, academicians and research workers. It provides a vast array of technical, professional and supporting services to the Government, Industries, Academia and the Engineering fraternity, operating from 105 Centres located across the country. The Institution has established R&D centres at various locations in the country and also provides grant-in-aid to its members to conduct research and development on engineering subjects.

IEI conducts Section A & B Examinations in different Engineering disciplines, the successful completion of which is recognized as equivalent to Degree in appropriate field of Engineering of recognized Universities of India by the Ministry of Human Resources Development, Govt. of India. Every year as many as 20000 candidates appear for these exams. For details, please see:

www.ieiindia.org

Periyar Maniammai Institute of Science & Technology, Thanjavur

Periyar Maniammai Institute of Science & Technology is proud to be a unique institution of higher learning and academic excellence. In an endeavour to fulfil the dreams of our Mentor Thanthai Periyar and Annai Maniammai, the Institute is dedicated to its societal responsibility for transforming students from different parts of India and abroad into stalwarts by igniting their hidden talents. As it is located in a rural area, the students are admitted from a wide range of calibre and by personal attention, and modern teaching methodology towards a Product / Process / Demo / Case Study teaching, they are shaped into career oriented professionals with bright future.

The Institute is making efforts to create new horizons in the arena of technical education and research. Curriculum innovation is given priority by the Institute to make the courses industry and research oriented. The dedicated and qualified faculty members routinely preach and practice for outcome based learning which leads towards an excellent academic career for the betterment of the students.

OBJECTIVES

The intent of this seminar is:

- > To gather information about environmentally sound energy recovery technologies.
- > To inspire interaction between R&D programs, industry and decision makers.
- > To implement the learned technologies for ultimate disposal of solid waste and to recover energy from them.

THEME

In the recent years, Government of India has taken several initiatives so as to improve the existing Solid Waste Management practices in the country.

The Municipal Solid Waste (MSW) generation has increased in India from 100 g/day/person to 450 g/day/ person after Independence (1947). The total MSW generation in India is around 48 million tons per annum and this would increase to 300 million tons by the year 2047. Municipal solid waste in Indian mega-cities is mainly disposed in landfills by means of open dumping. In rural areas this aspect is mostly neglected due to lack of awareness to people and infrastructure.

Improper and unorganized disposal of Municipal Solid Waste (MSW) in open areas and landfills have a negative impact on the living conditions of human beings as well as the overall environment. It results in spread of communicable and non-communicable diseases among human beings and animals, thus affecting the welfare, livelihood and economic productivity.

Improper and unorganized disposal of Municipal Solid Waste (MSW) in open areas and landfills have a negative impact on the living conditions of human beings as well as the overall environment.

SUB THEMES

- > Innovative Waste treatment technologies
- > Recycling of materials
- > Performance analysis of Energy recovery from municipal solid waste
- > Advances in Waste to Energy
- > Anaerobic co-digestion and its pretreatment

Call for papers:

Authors should send a full paper in IEEE format. The accepted papers must be presented in the seminar by at least one of the authors of the paper duly registered as a delegate.

Payment:

All payments are to be made through crossed Demand Draft / Cheque, drawn in favour of "The Institution of Engineers (India), Thanjavur Local Centre"
